Field Marshal the Earl of Cavan Michael Senior,2023-06-30 Field Marshal Lord Cavan 1865 1946 was one of the most distinguished commanders of the modern British army but he divided opinion among his contemporaries Some senior soldiers were disdainful Field Marshal Sir Henry Wilson described him as ignorant pompous and vain and Brigadier General Sir James Edward Edmonds commented that Cavan was bone from the neck upwards Yet many of Cavan s subordinates praised him saying I had never seen Lord Cavan before and I was filled with admiration by the calm and quiet self confidence of his manner and Our new General Lord Cavan is simply A1 and the whole show runs like a well oiled machine So what were the real qualities and achievements of this remarkable but hitherto neglected officer who in a long career served in the Boer War and the First World War and then presided over the post war reduction of the British army Michael Senior in the first full biography of Cavan assesses him as a leader a corps commander and an administrator and places him among the front rank of the soldiers of his generation He also explores Cavan s personal life his personality and how his aristocratic background his wealth and his love of fox hunting affected his conduct in both war and peace
