Journal of Multinational Financial Management, 2003 Corporate Financial Analysis Diana R. Harrington, 2001 This paperback text emphasizes the financial concepts and tools essential for understanding the financial impacts of business decisions Harrington uses current examples of actual business situations to demonstrate how

financial tools concepts and theories can be used by managers to improve decision making and enhance business performance The text has a global emphasis with an equal number of domestic and international examples The author includes a discussion of international financial statements and the financial impacts of changes in foreign exchange rates The book s major appeal is its direct concise and no nonsense approach to understanding both the basics of finance and current financial concepts which allows even non financial managers to understand financial analysis **Multinational Financial Management** S. K. Kaushik, Lawrence M. Krackov, 1989 **Finance** Ronald W. Melicher, Edgar Norton, 1999 The tenth edition builds on the success of past editions to provide an up to date survey of the entire finance discipline It provides a valuable overview of the major financial concepts of the disciplines as well as a solid foundation upon which future courses in finance can build Whereas most survey style introductory texts still tend to emphasize corporate finance this book s key strengths are balanced coverage between three major fields of finance institutions investments financial management and an integrated perspective on the interrelationships among them As an introductory survey the book is written with a user friendly focus conveys basic knowledge concepts and terms leaving the finer points discussions of theory and complicated topics for more advanced course work Managing Global Finance in the Digital Economy Francisco Carrada-Bravo, 2003-06-30 Table of contents **Financial Institutions, Investments, and Management** Herbert B. Mayo, 1998 The goal of this text is to introduce the business major and particularly the non finance major to the broad field of finance rather than just corporate finance Mayo s is one of the only books that attempts coverage of all three major areas of finance while maintaining a level appropriate for introductory courses in both 2 year and 4 year schools Since many students will have only this exposure to the subject the text gives them a working knowledge of all aspects of introductory finance Finance Herbert B. Mayo, 1992 New edition of a standard text that was substantially revised in its third edition and is here once again refined and updated Annotation copyrighted by Book News Inc Portland OR **Financial Markets and Institutions** Charles E. Maxwell, 1994 **International Financial Management** Jeff Madura, 2003 The student CD ROM contains the following projects and supplements Real time web project Running your own MNC Online analysis of an MNC International investing project An internet connection is required for full some applications The British National Bibliography Arthur James Wells, 2002 *Forthcoming Books* Rose Arny, 2002 Fund Fin Mgt Consise 3e Sg Eugene F. Brigham, 2001-06 To accomplish your course goals use this study guide to enhance your understanding of the text content and to be better prepared for quizzes and tests This convenient manual helps you assimilate and master the information encountered in the text through the use of practice exercises and applications comprehensive review tools and additional helpful resources **Investments** Mayo, 1987 **Cumulative Book Index** , 1998 A world list of books in the English language The Publishers' Trade List Annual , 1991
