

MTB-MLE

Mother Tongue – Based Multilingual Education (MTB-MLE) is the government's banner program for education as a salient part of the implementation of the K to 12 Basic Education Program. Its significance is underscored by the passing of Republic Act 10523, otherwise known as the "Enhanced Basic Education Act of 2013."

Mtb Mle 1 Teachers Guide:

Mother Tongue-Based Multilingual Education in the Asia-Pacific Region Suwilai Premasri, David Hirsh, 2025-01-14 This book sheds light on the role of mother tongue based multilingual education MTB MLE as a means to enhance educational outcomes creating a space for non dominant languages alongside more dominant regional national and international languages It brings together a number of underlying concerns including the maintenance of non dominant languages the context of language policy and planning in shaping this process the poor educational outcomes of many speakers of non dominant languages in mainstream education programs and the economic and social importance of becoming multilingual It focuses on the experiences of those involved in MTB MLE programs in early childhood primary secondary tertiary and adult education from numerous settings in the Asia Pacific region This book provides readers with a detailed overview of MTB MLE with a clear and insightful portrayal of the complex nature of policy and practice in both more accommodating and less accommodating sociopolitical environments LANGUAGE AND EDUCATION POLICIES IN THE PHILIPPINES David Michael M. San Juan ,2023-01-01 This book is aimed at critiquing existing language and education policies through the lens of language advocates and typically politically sidelined education stakeholders and at the same time providing feasible policy recommendations to steer policies closer to grassroots aspirations of a multilingual country where our collective sense of nationhood and nationalism empowers us to reshape our education system for national development rather than the tired catchphrase of global competitiveness Such critiques and alternative perspectives are informed by available studies recent data and updated statistics This book is thus a handy introduction to 21st century language and education policies in the Philippines for both education stakeholders advocates administrators professionals and students **EducNews** ,2013

The Routledge Handbook of English Language Education in the Philippines Julius C. Martinez, Isabel Pefianco Martin, 2025-09-30 This handbook serves as a comprehensive resource on English language education in the Philippines addressing a wide range of issues including ideologies multilingualism identities policies methodologies assessment teacher education and curriculum Chapters cover a range of educational contexts from Luzon to Mindanao islands from basic to higher education and from formal to non formal schooling This book upholds the think and do otherwise perspective by problematizing contemporary paradigms and practices that operate from naturalized ideas inherited from the American colonizers This includes repairing pedagogies that redress injustices experienced by historically marginalized groups and hoping for possibilities and approaches to teaching and learning English that are just equitable and inclusive The six sections in the Handbook bring up conditions for thinking and doing otherwise pointing to ways in which genuine changes can start to happen Scholars from diverse backgrounds come together in this handbook to take collective ownership of English language education in the Philippines This ownership does not mean ignoring and disposing of the country's colonial past but reclaiming English language education as an ongoing project instead This handbook likewise demonstrates that such a

project makes it possible for wider audiences to see that Global South scholars from and in the Philippines also have much to teach the rest of the world about thinking and doing otherwise and by extension problematizing repairing and hoping Given its scope and breadth the handbook is an invaluable reference for students pre service and in service teachers teacher educators researchers and policymakers interested in English language language education TESOL sociolinguistics and applied linguistics
