

Vertebrates

The book cover features a collage of images related to vertebrates. In the top left, there is a detailed anatomical drawing of a vertebrate head in profile, showing internal structures like the eye, brain, and ear. In the top right, a small, light-colored dinosaur stands on a nest made of dry sticks and twigs. In the center, a vibrant blue fish is depicted swimming. In the bottom right, a long, thin, yellowish worm-like creature with many small, dark spots is shown. The background is a mix of these images, with a dark, textured area at the bottom.
