Leveraging LinkedIn Fred Coon, David Meadows, Denise Rutledge, 2014-01-30 You are in a contest where there is only one winner They will not hire two of you for the same job The job applicant who has a LinkedIn profile is ahead in the competition And the job applicant who has an optimized LinkedIn profile is even further ahead The majority of recruiters 95% and companies 84% use LinkedIn to find their talent Of course they still review resumes But the truth be told most of the recruiters in America are younger They revel in online activity They use LinkedIn When a recruiter or a company wants to find a specific set of skills they go to LinkedIn and search However if you think slapping your resume up on LinkedIn is the solution to that problem then you are not being seen by the majority of companies or recruiters Why Because a properly optimized LinkedIn profile will be easily found and a slapped up job won't It is as simple as that If you don't know what the tricks to doing this are then you are already a step behind your competition Don't be like 95% of job seekers who

know they must have LinkedIn and simply slap their resumes up there and then say to themselves What a good job seeker am I LinkedIn has secrets It has codes If you understand what those secrets and codes are you WILL be found by recruiters and companies seeking talent like yours This book has both narrative AND screen shots showing you step by step exactly what to do and how to configure your profile so that you get the results you want These are the same tactics Stewart Cooper Coon teaches their senior executives as they go through their search processes Now you too can learn the simple LinkedIn tricks that will help you be found quicker and put job search success at your fingertips Do yourself a big favor don't play catch up move ahead of 95% of the rest of America and set your LinkedIn profile up correctly **LinkedIn Profile Tips** Yong Ninneman, 2021-07-29 Great tips and valuable guidance around leveraging LinkedIn This book is the only book that delivers both your Keyword Optimized Resume and LinkedIn Profile This book will really open up some options you did not think you had as a career path Benefits include More Recruiters Will Contact You Appear higher in searches get more Profile views Improved Application Success Rate Avoid getting your resume filtered out by bots Get Immediate Results Have Recruiters contacting you as soon as tomorrow Save Time No fluff and simple step by step instructions with examples you can implement in 1 hour State Of The Art SEO Taught by a tech savvy SEO not an old school resume consultant Increase Your Salary The average increase in salary for a job change is 10% **Secrets from a Headhunter** Shanna Landolt, 2014-08-12 This step by step LinkedIn guide is specifically for people working in the pharmaceutical or biotechnology industry Learn how to create an SEO optimized LinkedIn Profile from top pharmaceutical biotechnology recruiter Shanna Landolt Her LinkedIn and job search expertise has been featured on NBC ABC CBS FOX and CityTV Understand what keywords to use in your profile See how LinkedIn's Relevance Algorithm works Get noticed in the top search results for your area of expertise both on LinkedIn and on Google Search Learn how to be found by Recruiters HR executives and Hiring Managers See why it is important to build a great LinkedIn Profile and why you should expand your network even if you aren't actively looking for a new job This book is easy to read and the strategies are clear and simple to implement If you do what this book says your LinkedIn Profile will be professional You will look great And you will be able to use LinkedIn as the online expression of your personal brand and what you have to offer as a pharmaceutical and biotechnology professional
