Christmas Darion Harding, 2013-05-22 Henry is going to Dollton the Sea Lion's house for a party and Henry's bringing some new friends. It's time for you and Henry to find out what Christmas is all about. In this story Henry and his friends come to realize how important Christmas is not for the presents Santa Claus or anything material. Christmas is about that one time of year when you know you will see the people you love. Christmas is about being with the ones that mean the most to you. Publishers Weekly Starred Review. A Postman murdered while delivering cards on Christmas morning. A Christmas pine growing over a forgotten homicide. A Yuletide heist gone horribly wrong. When there's as much murder as magic in the air and the facts seem to point to the impossible, it's up to the detective's trained eye to unwrap the clues and neatly tie together an explanation, preferably with a bow on top. Martin Edwards has once again gathered the best of these seasonal stories into a stellar anthology brimming with rare tales fresh as fallen snow and classics from the likes of Julian Symons, Margery Allingham, Anthony Gilbert, and Cyril Hare. A most welcome surprise, indeed, and perfect to be shared between super sleuths by the fire on a cold winter's night. **The Cyclist Christmas no. for 1890 and year book for 1891** Cyclist, 1890
