Directory of Special Libraries and Information Centers, 2009 Multilingual Universities in South Africa Liesel Hibbert, Christa van der Walt, 2014-04-16 Focusing on the use of African languages in higher education this book showcases South African higher education practitioners' attempts to promote a multilingual ethos in their classes. It is a first time overview of multilingual teaching and learning strategies that have been tried and tested in a number of higher education institutions in South Africa. Despite language in education policies that extol the virtues of multilingualism practice remains oriented towards English only learning and teaching. In the multilingual contexts of local campuses this book shows how students and lecturers attempt to understand their multiple identities and use the available languages to create multilingual learning environments.

Faith in Christ Today: Invitation to Systematic Theology Klaus Nurnberger, 2016-06-29 In Volume I the author analyses the Word of God and the response of the Christian community in a lucid and accessible way. In this second volume he interprets the classical assertions of the Christian faith in terms of God's creative and redemptive project in the world of today. His experiential approach is meant to restore the credibility, vibrancy and relevance of faith in Christ for our times.
