sense of humor whimsy and an open mind From a charmed New Orleans childhood to a successful acting career on Broadway and the award winning TV show Mad Men to the opening of his popular Big Easy home furnishings boutique Hazelnut Bryan Batt has always turned to home design as a creative outlet To him the best rooms are unexpected yet refined and above all evoke emotion He doesn't think twice about hanging oversized decorations from a Mardi Gras float in an elegant dining room or bringing home vintage etchings of sconces when he was actually shopping for real ones He believes that a vibrant orange wall can be a neutral backdrop for an antique writing desk and earthy accessories and that an artist's whimsical bird's nest sculpture hung in a lavender entryway couldn't serve as a better welcome into a cozy abode New Orleans has taught Bryan so much about how to pull together a space that's fearless and colorful with plenty of panache With the city as his muse its strong roots in history its celebration of tradition and of course the wild festivities of Mardi Gras he believes that designing a fabulous livable home that truly reflects a dweller's passions need not be intimidating Big Easy Style showcases rooms that make Bryan smile with pages of rich photography featuring the work of many designers and plenty of Crescent City interiors framed by his own entertaining maxims on color pattern collecting living areas intimate spaces and more Explore rooms he's personally designed and others that inspire him from an old world kitchen imported straight from the heart of France to a luxurious Art Deco media room these homes are enticing and unique and through their surprising details completely inviting Decorating your home to reflect your personality and taste takes practice and patience and can be a daunting undertaking but Bryan proposes that we not worry about making mistakes that any decision we make is better than no decision at all With Big Easy Style learn how to put aside your hesitation and surrender to the wild side of home design for a big statement that's easy to achieve You'll love his collection of photographs of beautiful New Orleans rooms layered with his design tips and anecdotes of his own design experiences Southern Living Big Easy Style reads like a hard copy extension of Batt's personality elegant gregarious funny showman like The rooms he's chosen to showcase are painstakingly designed yet in that enviable way appear so easily tossed together Susan Langenhennig The Times Picayune With great passion and a zest for creativity Bryan Batt and Katy Danos offer thoughtful tips on color collecting patterns and much more along the way Kerri McCafferty captures the beauty of each room in her inviting photographs I love Batt's unique whimsy style How many of us would think of placing giant decorations from a Mardi Gras float in a lavish dining room Or how about hanging an ornate crystal chandelier in the kitchen Or what about painting a Chippendale style chair mellow yellow But they all work Jeryl Brunner Stylist.com If you've missed Bryan Batt since he left the set of Mad Men in 2009 he played Salvatore Romano catch up with him in a decor ode to his hometown New Orleans In Big Easy Style we're treated to his vision of making rooms inviting festive and ultimately setting the foundation for entertaining which is what this get down town is all about San Francisco Chronicle The book is full of Batt's tips It's like spending an afternoon with someone who you'd like to watch decorate a home Karen Dalton Beninato Huffington Post Books      **Besh Big Easy** John Besh, 2015-09-29 In this his fourth big cookbook
