Little Women And Werewolves:

Little Women and Werewolves Louisa May Alcott, Porter Grand, 2010-05-04 A literary landmark the original suppressed draft of the classic novel Little Women is a timeless classic But Louisa May Alcott's first draft before her editor sunk his teeth into it was even better Now the original text has at last been exhumed In this uncensored version the March girls learn some biting lessons transforming from wild girls into little women just as their friends and neighbors transform into vicious bloodthirsty werewolves Here are tomboy Jo quiet Beth ladylike Amy and good hearted Meg plus lovable neighbor Laurie Laurence now doomed to prowl the night on all fours maiming and devouring the locals As the Civil War rages the girls learn the value of being kind the merits of patience and grace and the benefits of knowing a werewolf who can disembowel your teacher By turns heartwarming and blood curdling this rejuvenated classic will be cherished and treasured by those who love a lesson in virtue almost as much as they enjoy a good old fashioned dismemberment Includes the original letter from Alcott's editor telling her not to even think about it

Dark Little Women R. L. Wood, If you like genre benders and fractured tales you'll love this reinvention of classic horror story villains now presenting women as the main characters Featuring Dorian Gray as housemother and Doctor Jekyll as the in house physician to a group of blood thirsty young women in need of rehab The goal To conquer their innate urges and be free of their curse so they can live out the rest of their lives as mortals This wicked tale has a fun menagerie of gothic characters including a vampire werewolf ghost Frankenstein's monster and more There is a little romance and a touch of humor making this story a well rounded fun read that's sure to appeal to everyone Reviewers testimony pulled from Amazon.com Girl Power I enjoyed the fact that it was a play on old favorites and women filled most roles It was a fun read with a fast pace The author did a good job with the storyline and the ending surprised me I'm looking forward to book 2 Pure Class So glad I read this book In lesser hands the reimagining of world famous characters would have been easy to follow hackneyed stereotypes but R L Wood has managed to reinvent the likes of Dorian Gray Dracula and Jeekyll and Hyde among others in a way that makes them believable in their own right Coupled with a story of redemption rescues and treachery that rattles along without sagging and I think you have a winner A Really Enjoyable Book It's those kinds of books where you feel sad once it has ended I loved the characters especially Dr Jekyll and V and I enjoyed the way the story was written I would recommend this to everyone whether you like dark fantasy fan or not Can't wait for book 2 Unique off beat Horror story I really enjoyed reading this story of Dorian and her renegade immortals trying to seek redemption whilst at the same time trying to keep to a deal she made with the devil It's different and unique and I loved the fact that all the traditional male characters are now female I particularly enjoyed the vicious Hyde The dynamic between the characters is interesting and cleverly done with some off beat funny moments thrown in too I for one am looking forward to the next instalment Classical horror stories get a new twist in these tales and women become the main characters I would love to know the inspiration I enjoyed the descriptions and clever titles and names I hope the highly creative R L Wood will

A Devotion to Purity Sandra Soraya, 2024-07-25 Seth Roderick and Larry Gage the future Beta and Gamma of the Northernland Kingdom have a big problem As the Beta and Gamma they must follow orders that their future Alpha King gives They have pledged their allegiance to the future king so defying orders will be a crime Punishable by death Future Alpha King Steele North has a grudge that must be avenged His brother Alpha Prince Damon North died in the land of the enemy Unfortunately their enemy the Wolferaine Kingdom is stronger Declaring a war against the Wolferaine is not only

moronic it s also suicidal They will not win unless the Wolferaine is the one that declares war But the future king is determined It must be done one way or another Along comes Daisy Chester a ravishing beauty who happens to be the sister in law to the Wolferaine King Now their plan can come to fruition Alpha Steele North orders his Beta and Gamma to abduct and kill the sweet angel The action will enrage the Wolferaine King enough to make the Wolferaine attack the Northernland The plan is perfect Except for one thing Daisy Chester is Gamma Larry Gage fated mate **The Hidden World** Carl A.
