God Inspired Life Godfrey Kesari, 2022-09-30 Many live a self inspired life Many others live an others inspired life If we live a self inspired or others inspired life we could underdo things It is equally possible that we overdo things and get burnt out A God inspired life is not only the best way to live but it is also the only way to live as God intends us to live Life is a struggle We can get confused about our purpose passion and perception There is so much distraction in this world We can get muddled up Life can become messy Well nothing can revitalise our life than a renewed vision a vision to live for God in Christ If you feel you are not living the life you are meant to live this book is for you **Ambitious: a Life of Enlightened Self-Leadership** Scott A. Annan, 2010-01-29 It began with a letter Scott wrote to the CEO of his company Amidst the economic turmoil brought on by the 2008 financial crisis senior management solicited feedback from employees on ways to improve the operations of the firm going forward The message resonated with Scott He sensed a different way of doing things that by examining company values and focusing on teamwork the firm could achieve economic profit and create a workforce of engaged fulfilled team members Completing this exercise had profound meaning for him Scott began to see the power of identifying core values establishing team culture and developing an action plan for success The letter turned into a blueprint for creating a new career and a life of purpose In an enlightening account of Scott's journey of introspection and inspiration he provides a how to guide for transforming any area of life and delivers one profound message living a life of fulfillment is predicated on honoring your passion and purpose and contributing meaningfully to others around you In this moment of economic rebirth and global self examination there has never been a better time to follow your heart and claim ownership for your true identity We the world and individuals cannot afford to ignore those internal impulses that are telling each of us to believe in ourselves and honor what we are most passionate about creating and contributing in our lives The stakes political economic social and spiritual are just too high not to Join Scott as he teaches you How to find your passion and turn it into a life of meaning What the difference is between a career and a calling What your Trajectory of Purpose is and how defining it now will improve your life forever How to start your own company from scratch and establish values of lasting success How to create a Mindset of Opportunity and see the world as a team effort How to live a life of self leadership that allows you to call the shots and be the architect of your own life The time as always is now *THE PERFECTION* *CHRISTIAN INSPIRATIONAL BOOK WITH BIBLE REFERENCE* COLLINS NEWMAN, 2019-07-18 Securing God's Direction So the LORD alone did lead him and there was no strange god with him Deuteronomy 32:12 If God must lead You there must be no strange God's with you Anything that is an alternative to God for you is a strange god's Some their strange god's is money Pleasure and material things etc Because they want these things they feel they don't need God Guidance If he must lead You must have no other one You are listening to or an option to him He does not share his glory with another so he will not want you to have another one beside him When You are Ready to listen to him alone You will be led by him Inspired Lives
