## **Lion King Film Study Guide:**

**The Routledge Companion to the Contemporary Musical** Jessica Sternfeld, Elizabeth L. Wollman, 2019-08-16 The Routledge Companion to the Contemporary Musical is dedicated to the musical's evolving relationship to American culture in the late twentieth and early twenty-first centuries. In the past decade and a half, international scholars from an ever-widening number of disciplines and specializations have been actively contributing to the interdisciplinary field of musical theater studies. Musicals have served not only to mirror the sociopolitical, economic, and cultural tenor of the times but have helped shape and influence it in America and across the globe: a genre that may seem at first glance light-hearted and escapist serves also as a bold commentary on society. Forty-four essays examine the contemporary musical as an ever-shifting product of an ever-changing culture. This volume sheds new light on the American musical as a thriving contemporary performing arts genre, one that could have died out in the post-Tin Pan Alley era but instead has managed to remain culturally viable and influential in part by newly embracing a series of complex contradictions. At present, the American musical is a live, localized, old-fashioned genre that has simultaneously developed into an increasingly globalized, tech-savvy, intensely mediated mass entertainment form. Similarly, as it has become increasingly international in its scope and appeal, the stage musical has also become more firmly rooted to Broadway, the idea if not the place, and thus branded as a quintessentially American entertainment.

**The American Blockbuster** Benjamin Crace, 2022-10-18 Providing an indispensable resource for students and general readers, this book serves as an entry point for a conversation on America's favorite pastime, focusing in on generational differences and the evolution of American identity. In an age marked by tension and division, Americans of all ages and backgrounds have turned to film to escape the pressures of everyday life. Yet beyond escapism, popular cinema is both a mirror and microscope for our collective psyche. Examining the films that have made billions of dollars through a new lens reveals that popular culture is a vital source for understanding what it means to be an American. This book is divided into four sections, each associated with a different generation. Featuring such era-defining hits as *Jaws*, *Back to the Future*, *Avatar*, and *The Avengers*, each section presents detailed film analyses that showcase the consistency of certain American values throughout generations, as well as the constant renegotiation of others. Ideal for any cinephile, *The American Blockbuster* demonstrates how complex and meaningful even the summer blockbuster can be.

*100 Spiritual Movies to See before You Die* John A. Zukowski, 2023-11-15 Spiritual themes are common in movies. The unconventional savior. The hero's journey. The redemption tale. The balance of creation. Journalist John A. Zukowski reflects on twelve major spiritual themes in the world of cinema, discussing films from *Dead Man Walking* to *Bruce Almighty*, from *Groundhog Day* to *Chariots of Fire*, and many more. See them all, read them all, before you die.
