The Lion King (2019)

The animals are so realistic, you'll find it hard to believe it's all CGI

All your favourite songs from the animated original, and more

Pumbaa and Timon still steal the show, especially their 'Lion Sleeps Tonight' sequence

The story is too, too similar to the '94 movie

Realistic animals do not jeer and laugh like humans. In other words, their expressions are mostly stoic

The lions are hard to tell apart. An unavoidable downside from them being so realistic
