AP Literature Due Date: December 13, 2012 – Turnitin.com 11:59 PM

AP Language Due Date: January 1, 2013 – Turnitin.com 11:59 PM

What is it? There are many different critical approaches to literature (or “schools of critical thought”). The goal of all of these types of criticism is to help readers explore a work of literature more deeply and to appreciate it as a “multilayered construct of meaning”; as a result of literary criticism, readers are able to recognize the “social and cultural implications” of a work (Kaston et al).

What are the types of literary criticism? There are numerous forms; however, the ones we will be relating to *Hamlet* are:

- Formalist (New Criticism)
- New Historicism (Historical)
- Psychoanalytic (Freudian)
- Feminist (Gender)
- Mythological/Jungian (Archetypal)

What is the assignment? You will choose one type of literary criticism to focus on for your research paper; your thesis and type of research will vary dramatically based on the school of literary thought that you select. After gathering sources, you will move quickly through the research process gathering data both from the play and outside research and writing your 5-6 page (*not including* Works Cited page) final draft.
