

The setting of this enchanted story is in a West Country village, a hundred years ago. Maria, the heroine, has goodness and her dog go to live in the old and rather mysterious Manorhouse of Monmore, and Maria's encounters with jinnies, gnomes, fairies, and other delightful people, with the elusive Little White Horse, and the wicked Black Man of the woods are told in the refreshingly imaginative manner which has come to us from the author of *Green Dragon Cottage* and *Thimble's House*.
