The ARRL Operating Manual Robert Halprin,1985 *There's a Place For Us: The Musical Theatre Works of Leonard Bernstein* Helen Smith,2017-07-05 Leonard Bernstein was the quintessential American musician Through his careers as conductor pianist teacher and television personality he became known across the US and the world his flamboyance and theatricality making him a favourite with audiences if not with critics However he is perhaps best remembered as a composer particularly of the musical *West Side Story* and for songs such as *America Tonight* and *Somewhere* Dr Helen Smith takes an in depth look at all eight of Bernstein s musical theatre works from the early *On the Town* written by the 26 year old composer at the start of his career to his second and last opera *A Quiet Place* in 1983 in between these two pieces he composed music for *Trouble in Tahiti* *Wonderful Town* *Candide* *West Side Story* *Mass* and *1600 Pennsylvania Avenue* These works are analysed and considered against a background of musical and social context as well as looking at Bernstein s other orchestral choral and chamber works One important aspect examined is Bernstein s use of motifs in his theatre compositions which takes them out of the realms of Broadway and into the sphere of symphonic writing Smith provides an indispensable overview of the musical theatre works of an eclectic composer and shows what it is that constitutes the Bernstein sound
