A shirtless man with light skin and short hair is lying on his side on a sandy beach. He is looking directly at the camera with a slight smile. The background shows the ocean waves and a bright, sunny sky. The title 'Lost until You' is written in a large, dark blue, handwritten-style font across the center of the image.

Lost Until You:

Where the Lost Things Are Rudy Rucker, Terry Bisson, 2014-11-05 It's the only alternate universe just the one. Thanks to bluegene life is long. But out Route 42 near Goshen it's also kind of dull. Just the thing to encourage an expedition into the only actual other universe, the place where but that would be telling. Lessons of the Lost Scott C. Hammond PhD, 2016-08-26 The wilderness can be unforgiving and dangerous yet fill our souls with awe and wonder. It can overwhelm us with beauty and stun us with fear, lift our spirits to the highest highs and send us crashing to the floor of creation. The wilderness is a classroom where we learn to survive, thrive, and sometimes die. At some point in our lives, we have all been lost in a wilderness of some kind, whether literal or metaphorical, without any direction on how to find our way back home. Some have faced survival decisions in community disasters or personal trauma. Some have been lost in work, wandered in careers and professions. Some have been lost in relationships, crippling addictions, health challenges, or grief. Scott Hammond, a volunteer search and rescuer, knows that people who have been lost in the wilderness in the workplace or in life can teach us how to go beyond survival and thrive regardless of the nature of our personal wildernesses. Through his experience rescuing others and real-life stories, Hammond provides valuable lessons designed to help those who are lost. These narratives communicate that small things matter, that no one is ever lost alone, and that movement creates opportunity. Being lost is not a geographic problem but a mental and spiritual problem. Lost people may be deprived of the basics of food, water, and shelter, but they are first deprived of meaning. Restoring that meaning is the first step toward hope, and hope is the beacon that leads you home.

The Long-Lost Locket David Gorman, 2021-12-17 Siblings Seth and Julia practically live at Waldameer, the local amusement park during the summer. While showing their friends around the park, they find an old locket near the carousel. How long has the locket been lost, and what's the photograph inside it? Most importantly, whose locket is it? Their quest to find the locket's owner unearths Waldameer's history in the process. Follow Seth, Julia, Tyren, and Anh as they search for clues, outsmart bullies, and make unexpected friendships in their very first Waldameer mystery.
