## **Move Out Instructions Reminder Letter:**

**The Accidental Landlord** Danielle Babb, PhD, MBA, 2008-10 Don't feel like selling your house for less than you paid for it. Need to move but can't because you're unable to find a buyer for your home. Join one of the fastest growing groups this side of the real estate bubble: the accidental landlord. The low interest rates and double digit appreciation in the housing market a few years ago have given way to declining home prices, higher rates, more foreclosures, and higher credit standards. Homeowners who need to relocate or want to move are finding it impossible to do so without taking a loss. Many are considering renting their homes until the market rebounds, and this book is for them. **The Accidental Landlord** helps readers determine if renting is a viable option and if it is, how to go about the process of being a landlord until it makes sense to sell. In it, readers will learn how to determine if it makes financial sense to rent, assess whether or not they have what it takes to be a landlord, decide between the various rental options available, explore different types of rental agreements and decide which is best, prepare the home to be rented, decide if it makes sense to work with a property management company, identify potential renters and market the property, evaluate prospective tenants, collect rent, pay taxes and change insurance coverage, manage the property and tenants, deal with problems that surface, decide when it's time to sell.

**Every Landlord's Legal Guide** Marcia Stewart, Janet Portman, Ann O'Connell, 2022-05-31 The legal forms and state rules every landlord and property manager needs. To keep up with the law and make money as a residential landlord, you need a guide you can trust. **Every Landlord's Legal Guide** from move-in to move-out here's help with legal, financial, and day-to-day issues. You'll avoid hassles and headaches, not to mention legal fees and lawsuits. Use this top-selling book to screen and choose tenants, prepare leases and rental agreements, avoid discrimination, invasion of privacy, personal injury, and other lawsuits, hire a property manager, keep up with repairs and maintenance, make security deposit deductions, handle broken leases, learn how to terminate a tenancy for nonpayment of rent or other lease violations, restrict tenants from renting their place on Airbnb, and deal with bedbugs, mold, and lead hazards. The 16th edition is completely revised to provide your state's current laws covering deposits, rent, entry, termination, late rent, notices, and more. Comes with access to free downloadable forms. Includes access to more than 30 essential legal forms, including a lease and rental agreement, rental application, notice of entry, tenant repair request, security deposit itemization, property manager agreement, and more. **IMPORTANT NOTE:** You DO NOT have to pay more to use the downloadable forms. Please see Appendix B in the book for the link to and instructions for using the downloadable forms that come with the book.

**Every Landlord's Guide to Finding Great Tenants** Janet Portman, 2020-06-30 Protect your investment.
