L'opinion Juive Et L'affaire Dreyfus:

L'Opinion juive et l'affaire Dreyfus Philippe E Landau, 2014-07-29 Pour l'étude de l'opinion juive pendant l'Affaire nous avons privilégié l'analyse de la presse israélienne et les sources archivistiques dont certaines incluent en particulier les sermons du rabbin Weiskopf la correspondance du colonel Boris les échanges de lettres des consistoires Si l'Affaire a eu la force de bouleverser les structures de la société française elle devait aussi profondément marquer l'opinion juive et modifier la communauté Nous suivrons ici son évolution depuis un soutien discret la cause dreyfusarde jusqu'à un engagement massif et aux conséquences de l'événement

L'opinion publique et l'affaire Dreyfus Eugene Alberic Naville, E. Villane, 1898 *The Dreyfus Affair* G. Whyte, 2005-10-12 Volume one of a comprehensive series on the Dreyfus Affair this account chronicles for the first time in English and day by day the drama that destabilized French society 1894 1906 and reverberated across the world A deliberate miscarriage of justice the public degradation of an innocent Jewish officer and his incarceration on Devil's Island espionage intrigue media pressure vehement antisemitism and political skulduggery topics so relevant to our times are set within a broad historical context Meticulous research new translations of key documents a wealth of primary sources and illustrations and a select bibliography make this an indispensable reference work

The Jews of France Esther Benbassa, 2001-07-02 In the first English language edition of a general synthetic history of French Jewry from antiquity to the present Esther Benbassa tells the intriguing tale of the social economic and cultural vicissitudes of a people in diaspora With verve and insight she reveals the diversity of Jewish life throughout France's regions while showing how Jewish identity has constantly redefined itself in a country known for both the Rights of Man and the Dreyfus affair Beginning with late antiquity she charts the migrations of Jews into France and traces their fortunes through the making of the French kingdom the Revolution the rise of modern anti-Semitism and the current renewal of interest in Judaism As early as the fourth century Jews inhabited Roman Gaul and by the reign of Charlemagne some figured prominently at court The perception of Jewish influence on France's rulers contributed to a clash between church and monarchy that would culminate in the mass expulsion of Jews in the fourteenth century The book examines the re-entry of small numbers of Jews as New Christians in the Southwest and the emergence of a new French Jewish population with the country's acquisition of Alsace and Lorraine The saga of modernity comes next beginning with the French Revolution and the granting of citizenship to French Jews Detailed yet quick-paced discussions of key episodes follow progress made toward social and political integration the shifting social and demographic profiles of Jews in the 1800s Jewish participation in the economy and the arts the mass migrations from Eastern Europe at the turn of the twentieth century the Dreyfus affair persecution under Vichy the Holocaust and the postwar arrival of North African Jews Reinterpreting such themes as assimilation acculturation and pluralism Benbassa finds that French Jews have integrated successfully without always risking loss of identity Published to great acclaim in France this book brings important current issues to bear on the study of Judaism in general while making for dramatic reading

L'Antisémitisme Éclairé Ilana Zinguer, Sam Bloom, 2021-10-11 This volume principally deals with perceptions on Jews dating from the beginnings of their emancipation to the Dreyfus Affair The title in French and the original title of the colloquium in Hebrew Enlightened Antisemitism not only reflects the overall anti religious anti Christian and hence by necessity anti Jewish sentiments of an Enlightenment figure such as Voltaire but also refers to those who justified either their philosemitism or antisemitism with erudition Johann David Michaelis Antoine Gu n e Charles Maurras etc With France as its focal point the volume also contains essays that treat various perceptions of Jews during the same period in England Germany and Italy Interdisciplinary in nature this collection of essays treats the Jewish question from historical literary and sociological angles Une Erreur judiciaire.
