Love By The Numbers English Edition:

Hidden Love (English Version) Naraaaa89,2025-03-25 Cahaya is her life half of her soul and Shilla is willing to do anything for Cahaya s recovery including becoming a bitch for the second time I Love Being White and Straight (english version) Gabriel Moises Sevilla Rosales,2025-11-28 In an age where even ordering coffee can become a philosophical debate about systemic oppression Lucas an ordinary white heterosexual man three words he never imagined would be a controversial combo discovers that his identity has become a kind of trademark with warning included What was once simply him now seems like a whole catalog of assumptions automatic privileges a made up history of oppressions and a collective guilt that no one remembers signing on With humor irony and the ability to laugh even at his shadow Lucas decides to tell what it is like to live being a stereotype without having applied for the position From deconstruction workshops more intense than military training to mandatory courses to learn to apologize for existing to friends who change their ideology like socks Lucas offers a hilarious and absurd tour through the most confusing corners of modern progressive discourse This book does not intend to attack anyone It is not a protest nor a complaint nor an ideological manifesto It is an invitation To laugh at extremes To understand that prejudices can be born in any corner To remember that humor is a form of survival And to understand that if we want to live together we will have to stop talking to labels and go back to talking to people I Love Being White and Straight is a satire that does not seek to divide but to disarm modern chaos with a smile and a bit of therapeutic irony Richard Wagner and the Centrality of Love Barry Emslie,2010 This is a bold book which argues that Wagner s music dramas cannot be understood if treated separately from his essays his life the intellectual and artistic climate of his day and the broader history of Germany Wagner attempts a range of reconciliations that are radical in content and form and appear to succeed partly because he is in well nigh complete command of the aesthetic product not only text and music but also production practice Nonetheless all the reconciliations ultimately break down but in a manner that is illuminating This is not a celebration of the seamless work of art but a radical unpicking of the seemingly seamless Love is the central organising concept of the whole Wagnerian project Love sexual and spiritual egotistical and charitable love of the individual and of the race is the key Wagnerian driving force And therefore so is hate Of course Wagner cannot employ love without its opposite and it is critically significant that his anti semitism is based upon his view that the Jews are loveless The book handles Wagner s anti semitism and the ongoing row about it in a unique way in that it is shown to be aesthetically and intellectually productive for him This leads to a radical reinterpretation of Wagner s music dramas Sound of the Crowd: a Discography of the '80s (Fourth Edition) Steve Binnie,2018-11-05 SOUND OF THE CROWD A DISCOGRAPHY OF THE 80s is the ultimate record collector s guide to the 1980s In the era of multi formatting picture discs coloured vinyl multiple remixes funny shaped records and tiny CDs you could lose down the back of the sofa this book lists every format of every single EP and album released in the UK in the 1980s by over 140 of the decade s biggest acts from ABBA to Paul Young This fourth edition

has been fully revised and expanded to include even more acts than ever before with additional sections to cover Band Aid style charity congregations and compilation albums from the early 80s K Tel efforts through to the Now That's What I Call Music series and its competitors Compiled by Steve Binnie editor of the 80s music website Sound of the Crowd and writer producer and co host of the unconventional 80s chart show Off The Chart broadcast weekly on Mad Wasp Radio Love Outside the Lines Jimmy Rollins,2023-01-03 Discover Jesus goals of togetherness oneness and unity in an increasingly divided world When you learn to confront the areas in your heart that might not love as Jesus loved you can help build a flourishing Christ like culture Throughout his ministry Jesus specifically bridged the gap with the ostracized outcast and overlooked He told his followers to do the same The gospel message is for everyone and our mission as believers is to make disciples of Jesus not duplicates of ourselves This requires us to live and love beyond our preferences to build relationships with those who are different from us and to go beyond the boundaries of unspoken rules and invisible lines It's time to break the strongholds of division that have been passed down from generation to generation In Love Outside the Lines Jimmy Rollins will expand the gospel message of Christ beyond the lines of cultural norms show us how to follow in Jesus footsteps by moving away from racial stereotypes and moving toward things that unite us empower a culture of people willing to be part of the conversation on racial reconciliation help us embrace the kingdom truth that we are better together than we are divided and exemplify a life of dynamic diversity at church work and home Join Jimmy on a powerful journey to rediscover the discipleship of diversity that leads to unity Together we will confront our comfort zone barriers both known and unknown and take a detour to pursue the kind of diverse relationships and honest dialog that build a flourishing Christ culture **Lacan on Love** Bruce Fink,2015-12-09 Quintessentially fascinating love intrigues and perplexes us and drives much of what we do in life As wary as we may be of its illusions and disappointments many of us fall blindly into its traps and become ensnared time and again Deliriously mad excitement turns to disenchantment if not deadening repetition and we wonder how we shall ever break out of this vicious cycle Can psychoanalysis with ample assistance from philosophers poets novelists and songwriters give us a new perspective on the wellsprings and course of love Can it help us fathom how and why we are often looking for love in all the wrong places and are fundamentally confused about what love really is In this lively and wide ranging exploration of love throughout the ages Fink argues that it can Taking within his compass a vast array of traditions from Antiquity to the courtly love poets Christian love and Romanticism and providing an in depth examination of Freud and Lacan on love and libido Fink unpacks Lacan's paradoxical claim that love is giving what you don't have He shows how the emptiness or lack we feel within ourselves gets covered over or entwined in love and how it is possible and indeed vital to give something to another that we feel we ourselves don't have This first ever commentary on Lacan's Seminar VIII Transference provides readers with a clear and systematic introduction to Lacan's views on love It will be of great value to students and scholars of psychology and of the humanities generally and to analysts of all persuasions Nicholas Love at
