Love Songs To God 30 Poems Of Love And Longing:

Love Songs to God Irving Karchmar,2014-11-20 These love songs are of course Sufi poems and a few odds and ends formed out of that same Source of all joy They follow no formal rhyme or metre except when they do and have only the path of love as a common theme **Bemerton poems** George Herbert,1915 **The Secret Within** Wolfgang Riehle,2014-02-25

Spiritual seekers throughout history have sought illumination through solitary contemplation In the Christian tradition medieval England stands out for its remarkable array of hermits recluses and spiritual outsiders from Cuthbert Godric of Fichale and Christina of Markyate to Richard Rolle Julian of Norwich and Margery Kempe In The Secret Within Wolfgang Riehle offers the first comprehensive history of English medieval mysticism in decades one that will appeal to anyone fascinated by mysticism as a phenomenon of religious life In considering the origins and evolution of the English mystical tradition Riehle begins in the twelfth century with the revival of eremitical mysticism and the early growth of the Cistercian Order in the British Isles He then focuses in depth on the great mystics of the fourteenth and fifteenth centuries Richard Rolle the first great English mystic the anonymous author of The Cloud of Unknowing Walter Hilton Margery Kempe and Julian of Norwich Riehle carefully grounds his narrative in the broader spiritual landscape of the Middle Ages pointing out both prior influences dating back to Late Antiquity and corresponding developments in mysticism and theology on the Continent He discusses the problem of possible differences between male and female spirituality and the movement of popularizing mysticism in the late Middle Ages Filled with fresh insights The Secret Within will be welcomed especially by teachers and students of medieval literature as well as by those engaged in historical theological philosophical cultural even anthropological and comparative studies of mysticism **The English Works of George Herbert: Cambridge poems**

George Herbert,1915 **Holman Illustrated Bible Dictionary** Chad Brand,Eric Mitchell,Holman Reference Editorial Staff,2015-11 For 25 years the Holman Illustrated Bible Dictionary has been the go to Bible reference resource for lay Bible students teachers pastors academic courses and libraries Now this bestselling dictionary has been UPDATED with 200 new articles and over 500 new photos compiling a collection of over 6 500 articles from Aaron to Zuzite are written so as to equip the reader for greater competence in understanding and interpreting the Scriptures TAn excellent companion to the Holman Illustrated Bible Commentary **What the Bible Says About Sex** Jeremiah Cataldo,2022-08-12

When it comes to sex the Bible is marred by inequality To address the consequences of that What the Bible Says About Sex asserts that modern perspectives on sexuality and gender should be separated from the more constraining historical views of traditional biblical interpretation What does the Bible say about sexuality How have traditions of biblical interpretation influenced our understanding of sex and gender What the Bible Says About Sex answers that and many other questions Not shy it analyzes why the Church claimed dominion over marriage while the female body remained a source of potential evil It wrestles with how sexuality is used not only in the past but also in the present to reinforce notions of honor and how it can be used to

manipulate others Deftly it handles a discussion of semen as both profane and the seed of life It looks brazenly at the pornographic and the erotic passages of the Bible and how traditions of interpretation veiled them With the Bible frequently invoked to support arguments in the present age over the moral limits of sexuality and gender having a greater awareness of what the Bible says about sex and how it is and has been interpreted is critical now more than ever What the Bible Says About Sex is suitable for students scholars and the general reader with an interest in sexuality and the Bible and sex and desire in both ancient and modern Christianity
