**Love Sick** CazMaz,2014-12-06 True story of a woman s harsh upbringing leading her down the path of all the usual WRONG love suspects and her subsequent collapse into schizophrenia A tale of laughs tears and the highs and lows one might experience along a stranger journey in life *A Road Back from Schizophrenia* Arnhild Lauveng,2012-11-13 For ten years Arnhild Lauveng suffered as a schizophrenic going in and out of the hospital for months or even a year at a time *A Road Back from Schizophrenia* gives extraordinary insight into the logic and life of a schizophrenic Lauveng illuminates her loss of identity her sense of being controlled from the outside and her relationship to the voices she heard and her sometimes terrifying hallucinations Painful recollections of moments of humiliation inflicted by thoughtless medical professionals are juxtaposed with Lauveng s own understanding of how such patients are outwardly irrational and often violent She paints a surreal world sometimes full of terror and sometimes of beauty in which the Captain rules her by the rod and the school s corridors are filled with wolves When she was diagnosed with the mental illness it was emphasized that this was a congenital disease and that she would have to live with it for the rest of her life Today however she calls herself a former schizophrenic has stopped taking medication for the illness and currently works as a clinical psychologist Lauveng though sometimes critical of mental health care ultimately attributes her slow journey back to health to the dedicated medical staff who took the time to talk to her and who saw her as a person simply diagnosed with an illness not the illness incarnate A powerful memoir for sufferers their families and the professionals who care for them **Understanding Schizophrenia** Ravinder D. From out of a Dark Corner  
 Evelyn Roth, 2008-03-07 From Out of a Dark Corner is a true story of the work I did in a halfway house for young people with major mental illness I organized a musical group there and met a man with a severe Obsessive Compulsive Disorder O C D who had a beautiful voice and was living in the facility He had been in and out of state hospitals for over twenty years taking medication which caused him to act very drugged He was erroneously diagnosed with schizophrenia from several psychiatrists over the years and was destined to live a terrible institutionalized life I had just graduated Florida International University with a degree in psychology and applied whatever knowledge I had about mental illness in order to help him At the time I was married to another man but later divorced him because I fell in love with Marty After reading Dr Leonard Cammers book Freedom from Compulsion I diagnosed Martys problem correctly and spent years helping him with his repetitive rituals and excessive hand washing I was also able to help him relive his childhood with his mentally sick mother until he got much better I chose the title From Out of a Dark Corner because Marty spent day after day sitting in his bedroom in a corner not doing much of anything except attending the halfway house He also helped me to leave my dark corner because of the fear I had that I too would suffer psychotic episodes like my poor mother did Today Marty doesnt take any medication for O C D and lives a normal life socializing with my friends and singing professionally
