Media Guide To The New Parliamentary Constituencies

Simon Henig, Lewis Baston

Media Guide To The New Parliamentary Constituencies:

Media Guide to the New Parliamentary Constituencies Colin Rallings, Michael Thrasher, Local Government Chronicle Elections Centre, 2007 *British Elections & Parties Review* Colin Rallings, Roger Scully, Paul Webb, Jonathan Tonge, 2003-09-25 Volume 13 provides theoretically informed and methodically sophisticated analyses of both current and historical developments along with regular contributions on research methodology and reference material **Butler's British Political Facts** Roger Mortimore, Andrew Blick, 2018-07-31 This book is the most comprehensive single volume reference work available for British political facts Covering the period from 1900 to the present it is the latest edition in a series previously edited by David Butler and various collaborators This new edition updates the contents to the immediate post European Union referendum period in the UK It is useful to a wide range of potential readers including students educators journalists policy professionals and anyone with an interest in politics and political history It will be valuable to academics working in a variety of disciplines including history and political science *The Almanac of British Politics* Robert Waller, Byron Criddle, 2007-05-07 The latest edition of The Almanac of British Politics has been thoroughly revised and updated to include full details of the new constituencies following the comprehensive boundary changes which will come into force throughout the United Kingdom at the next election It has firmly established itself as the definitive guide to the electoral map of the UK for nearly twenty five years covering in detail each of the constituencies sending representatives to the House of Commons Its comprehensive coverage provides a witty and informative biographical profile of every Member of Parliament and a detailed social demographic economic and political analysis with statistics of seats to give the clearest picture of the British social and political landscape in the twenty first century This is the essential reference work on British politics for students academics journalists and psephologists **Money and Electoral Politics** Ron Johnston, Charles Pattie, 2014-05-27 Political parties are crucial to British democracy providing the foundations for mobilising voters Their constituency branches are key links between voters and Parliamentary candidates and their activities require two vital resources people and money Much has been written on the decline of party membership but far less on money In this much needed new book Ron Johnston and Charles Pattie use the latest research and hitherto unpublished material to explore financial differences across the UK's three main parties in the four years leading up to the 2010 General Election They look at how much local parties raise for election campaigns and find that the more money candidates spend then the better their performance Analyses of their annual accounts however show that many local parties are unable to raise all of the money that they are entitled to spend on such campaigns This reveals an unhealthy picture of grassroots party organisation in which the capacity to engage effectively with many voters is concentrated in a relatively small number of constituencies and is likely to remain so This timely and essential book will make a major contribution to the literature on British elections and parties especially to continuing debates regarding party funding It will make important reading for academics students

politicians civil servants and others interested in this topic

Parliamentary Constituencies and Their Registers Since 1832 Richard H. A. Cheffins, 1998 This publication lists every parliamentary constituency from the Great Reform Act when registration began to those established by the latest redistribution of seats Constituencies are listed in a single alphabetical sequence together with variant names The listing gives the period of each constituency's existence the registers held by the British Library the shelfmarks for these registers and notes and cross references Appendices list pre 1832 constituencies the British Library's holdings of Irish Manx and Channel Island registers university electoral registers poll books and non parliamentary registers such as burgess rolls ward lists parochial and county council registers ratepayers lists and business premises registers valuation rolls and jurors lists The publication contains an introduction with the history and background to the franchise registration and the redistribution of seats and it is completed with a bibliography of reference works on this topic This guide was compiled to satisfy a long felt need for a comprehensive finding list of the British Library's holdings of such material but now satisfies a much wider need Libraries and record offices should find it a useful reference work and researchers in the area of local history and genealogy and the libraries and societies that support such research should find it an invaluable sourcebook

Politico's Guide to the General Election 2005 Simon Henig, Lewis Baston, 2005 Packed with facts and statistics this book identifies the key marginal seats and gives profiles of the constituencies where the outcome will be vital to all three main parties The book includes a poll of 50 political experts who predict the result of the general election which is likely to be called in 2005

MediaGuide, 1990 *New Statesman Society*, 1997 *New Statesman*, 1997

The New Walford Ray Lester, 2005 Covers 15 broad subject groupings social sciences generic psychology sociology social work politics government law finance accountancy industries business education sport media information and tools for information professionals

Geographic Information Association for Geographic Information. Conference, 1997

Britain Votes 2005 Pippa Norris, Christopher Wlezien, 2005 Britain Votes 2005 provides a balanced comprehensive and topical overview of the campaign leading up to the 2005 British General Election and an analysis of the results presented in a straightforward clear and lively style for students colleagues and practitioners This is the fourth volume in the Oxford series which started in the election of 1992 Part I provides insights into the strategies and tactics adopted by the major parties news coverage on the television in newspapers and on the internet and the dynamics of the opinion polls leading up to polling day Part II analyses the outcome including the results in Scotland Wales and Northern Ireland race and gender issues economic voting the working of the electoral system and the outcome for the new Parliament Produced by a well known team of experts on British elections and voting behaviour the book is written in a vivid and accessible style The book will be essential reading for all students scholars and practitioners of British elections and voting behaviour party politics public opinion political behaviour and political sociology

The Political Map of Britain Simon Henig, Lewis Baston, 2002

Written by the editors of Politico's Guide to the General Election this is a detailed political reference book containing a

mixture of full constituency profiles statistical tables polling data power charts and explanatory guidelines **Population Trends** Great Britain. Office of Population Censuses and Surveys,2009 **Explaining Labour's Landslide** Robert M. Worcester,Roger Mortimore,1999 Using new polling evidence veteran pollster Robert Worcester MORI explains why Labour won such a massive landslide in the 1997 election and why the Conservatives suffered their worst ever electoral drubbing A key adviser to Labour for many years Worcester provides the ultimate analysis of Labour s victory Comparative Politics, 1998-1999 Christian Soe,1998 Aims to provide access to articles selected from the best of the public press Organizational features of this work include an annotated listing of selected World Wide Web sites and table of contents a topic guide a general introduction brief overviews for each section an index and an instructor s resource guide with testing materials

Newsletter ,1995 When Gordon Took the Helm Michael Rush,Philip James Giddings,2008-11-13 Contributors to this Hansard Society Palgrave volume consider how British government and politics changed as Tony Blair gave way to Gordon Brown Gordon at the Helm looks at a range of factors under Brown such as public opinion party and opposition politics British government and administration public policy local government and foreign policy Scotland Votes Ian Clark,1998
