Marquis,1990 Flying Knives John H. Copeland,2014-06-27 While a member of the U S Air Force in Morocco in 1954 55 I
was assigned to attend French language classes While in class I met Marcel he was also ordered to attend classes in the
French Language Marcel was a U S citizen who was in the French Foreign Legion at the time He also said he was told by his
Officers that he had one year to learn the French Language or he may not be allowed to remain in the Foreign Legion It was
discovered Marcel was an expert at knife throwing one of my life long desires He agreed to teach me all the knowledge
required to throw knives After a few days we started our knife throwing training I was told by him that it would take
approximately three months to learn the art of knife throwing We first built a wooden target three ft by three ft and placed
on posts buried in the ground at approximately six foot high The knives are to be thrown at the target from fifteen to
eighteen ft away The knives are constructed from one piece of flexible stainless steel They are approximately eleven inches
long Whenever the occasion allowed Marcel and I traveled to places in Morocco to observe the sights Roman ruins women s
prison locus swarm dust storms If it was there we wanted to see it I felt compelled to describe our trips in my knife throwing
manual The knife throwing manual covers how to throw knives in a very well outlined method It repeats it s self several times
to make sure the student fully understands exactly what is required by him to be a successful knife thrower The manual
covers how a throwing knife is constructed and why It covers how to hold the throwing knife and how to release it How to
take steps when throwing and using your arms to obtain your goal And making the knife stick where you wish This manual is
aimed at the training of the novice knife thrower Those who use it should reach a satisfying level in knife throwing I am
thankful for your purchase of this manual and hope to see you all throw someday **Structural Tailoring of Engine**
