Katherine Hepburn Brownies Recipe:

Baking Dorie Greenspan, 2006 Offers more than three hundred of the author's favorite recipes including split level pudding, gingered carrot cookies and fold over pear torte and provides baking tips and a glossary *New York Cookbook* Molly O'Neill, 1992-01-01 More than five hundred recipes celebrate the passion for food with New York specialties ranging from Codfish Puffs to Braised Lamb Shanks to Kreplach **Saveur: The New Comfort Food** James Oseland, 2011-04-29 The acclaimed food magazine presents a wide ranging celebration of regional American and international dishes that have shaped today's comfort foods. A steaming bowl of udon noodles, a bubbling serving of macaroni and cheese, a hearty helping of huevos rancheros, a perfectly browned grilled cheese sandwich, these are just some of the 100 mouthwatering recipes in this extraordinary volume that highlights the pleasures of comfort food in all its diversity. Brimming with more than 200 stunning photographs and memorable sidebars that present the people, ingredients and techniques involved in the recipes, *Saveur: The New Comfort Food* is an unforgettable journey behind the scenes of our favorite heartwarming dishes. **Love Songs** Judy Pollard Smith, 2022-08-10 The reader will enjoy several finely crafted personal essays interspersed with amusing vignettes. The essays provide a spirited and sensitive look at nature, music, literature, family, friends, heritage, multiculturalism and personal loss. Some of the essays have been previously published in newspapers or magazines. They are short, salient and to the point. This small, tender book offers a unique glimpse at grief recovery. What do the bereaved do with the long corridor of empty hours? How do they go about recreating life? Where does the balance sit between continuing in sorrow or telling oneself that putting one foot in front of the other is essential? How do we hold onto the history of our loved ones? What life rafts have we in order when we need them? Who and what will we put in the driver's seat? In spite of the loss factor, the author's lyrical writing style brings smiles and hope. It is forward looking and honest. It is a calming read for lovers of life. **If You Can't Take the Heat** Geraldine DeRuiter, 2025-03-11 NATIONAL BESTSELLER From the James Beard Award winning blogger behind *The Everywhereist* come hilarious searing essays on how food and cooking stoke the flames of her feminism. With charm and humor, Geraldine DeRuiter welcomes us into her personal history and thus reconnects us with ourselves. Mikki Kendall, *New York Times* bestselling author of *Hood Feminism*. ONE OF NPR'S BEST BOOKS OF THE YEAR When celebrity chef Mario Batali sent out an apology letter for the sexual harassment allegations made against him, he had the gall to include a recipe for cinnamon rolls of all things. Geraldine DeRuiter decided to make the recipe and she happened to make food journalism history along with it. Her subsequent essay with its scathing commentary about the pervasiveness of misogyny in the food world would be read millions of times, lauded by industry luminaries from Martha Stewart to *New York Times* restaurant critic Pete Wells and would land DeRuiter in the middle of a media firestorm. She found herself on the receiving end of dozens of threats when all she wanted to do was make something to eat and okay, fine, maybe take down the patriarchy. In *If You Can't Take the Heat*, DeRuiter shares stories about her shockingly true, painfully funny and sometimes

just painful adventures in gastronomy We ll learn how she finally got a grip on her debilitating anxiety by emergency meal planning for the apocalypse You are probably deeply worried that in times of desperation I would eat your pets And yes I absolutely would Or how she learned to embrace her hanger Because women can be a lot of things but we can t be angry Or president apparently And how she inadvertently caused another international incident with a negative restaurant review She made it on to the homepage of The New York Times s website And she got more death threats Deliciously insightful and bitingly clever If You Can t Take the Heat is a fresh look at food and feminism from one of the culinary world s sharpest voices
