*FCC Record* United States. Federal Communications Commission, 2016      **Making the Most of Digital Collections through Training and Outreach** Nick Tanzi, 2015-11-10 This book offers a practical template for training patrons to use eBook streaming video online music and journal collections that is practical adaptable and most importantly sustainable In order to make your library s expanding digital collection worth having customers need to know how to access these online resources and it s up to your staff to show them how This unique guide explains how to use a device centered approach to training library patrons rather than a system centric approach that will enable staff to more easily assist patrons regardless of whether your patrons use Kindles tablets mobile phones or laptops Using this approach staff stay current and can prepare for the next technology or interface platform to access digital collections The book describes different patron instruction scenarios such as drop in one on one interactions tech petting zoos and classroom settings and explains how to structure and conduct specific sessions classes Readers will learn methods of promoting the digital collection that can be used in their entirety or a la carte depending on your budget and locality The final chapters address using social media print media and interactive displays best practices for target marketing aimed at both in house patrons and external customers and how you can save money when purchasing equipment      **Technology Mediated Service Encounters** Pilar Garcés-Conejos Blitvich, Lucía Fernández-Amaya, María de la O Hernández-López, 2019-01-10 The chapters in this collection authored by renowned scholars address a gap in the literature by focusing on the consequences that outsourcing among other globalized economic practices and remediation by new technologies have had on the service encounters genre SE From both a multilingual and a multidisciplinary perspective this collection explores the development of technological applications and professional best practices as well as call centre interaction e commerce and e word of mouth More specifically the papers in this volume report on technology developed to support SEs and how this technology influences service providers and their allowable linguistic contributions Further this collection provides valuable insights on the language and strategic behaviour deployed in less researched kinds of SEs gives special attention to how technology impacts the interface between the transactional and interactional goals of SEs and thus has real world applications      Enhancing Professionalism Through Reflectivity in Social and Health Care Walter Lorenz, Zuzana Havrdová, 2023-09-13 This book discusses complex motivational conditions and strategies on macro meso and micro levels promoting reflectivity in interpersonal professional practice The increasing demands made on practitioners in social and health services as illustrated by the COVID 19 pandemic can lead to great uncertainty over how to find the right response to complex expressions of need and how to account for ethical professional decisions in view of prevailing strategies of risk reduction and managerial accounting Reflectivity has been recognised as being of central importance for guiding practitioners towards situationally differentiated and accountable practice However it is a complex process made up not only of different psychological components and their interplay with

educational and organisational contexts but also of multilevel interactions and purely situational conditions that can have positive or negative effects The individual and team reflectivity can be learned and supported through various educational and managerial opportunities sensitively guided personal and professional experiences and specific patterns of interaction which are reviewed in the book Reflective supervision in the workplace plays a pivotal role in enabling individual and team reflective processes However there are also social and organisational factors that can hinder the development of individual and team reflectivity The particular value of this publication is that the authors focus on complex research findings from several consecutive studies and critically review and discuss the conditions for reflectivity from various perspectives and with the background of rich academic literature and research Their research derived empirical and analytical insights were submitted to managers and educators and effective and realistic strategies and methods to enhance different levels of reflectivity in students and practitioners were discussed and are summarised in this volume Among the topics covered The significance of reflectivity in professional social and health care in relation to changing socio political contexts Gender aspects of reflectivity in the social and healthcare field Operationalisation of reflectivity for research by personal team and organisational scales Cultural and communicational patterns of interaction enabling professional reflective processes Enhancing Professionalism Through Reflectivity in Social and Health Care is pertinent reading for professors of professional academic training programmes for social workers nurses supervisors trainers in non formal learning settings students and managers of social and health services with an interest in enhancing organisational cultures

**The Carbon Footprint of Everything** Mike Berners-Lee, 2022-04-26 I can't remember the last time I read a book that was more fascinating and useful and enjoyable Bill Bryson Reduce your carbon footprint and understand the issue with this up to date life guide for carbon conscious readers Kirkus Calculate your carbon footprint with an item by item breakdown Meet your company's carbon goals using the latest research Covid 19 and the carbon battle understand the new global supply chain The Carbon Footprint of Everything breaks items down by the amount of carbon they produce creating a calorie guide for the carbon conscious With engaging writing leading carbon expert Mike Berners Lee shares new carbon calculations based on recent research He considers the impact of the pandemic on the carbon battle especially the embattled global supply chain and adds items we didn't consider a decade ago like bitcoin and other cryptocurrencies Supported by solid research cross referenced with other expert sources illustrated with easy to follow charts and graphs and written with Berners Lee's trademark sense of humor The Carbon Footprint of Everything should be on everyone's bookshelf The Carbon Footprint of Everything is an extensively revised and updated edition of How Bad Are Bananas

**Robots That Love** Judith A. Markowitz, 2025-10-30 In a world of increasingly sophisticated AI the relationship between creator and creation has shifted Robot lovers coexist with humans and the boundaries of emotion and consciousness are blurred This book considers the fundamental challenge of imbuing robots with the capacity to experience love delving into the consequences of loving robots that can only feign reciprocation and

philosophical questions about sentience and consciousness Other forms of artificial lovers are also discussed ranging from ChatGPT and Samantha from the 2013 film Her to a variety of sex dolls monsters golems and romanceable characters in dating simulation games Such entities encompass an array of sexual and gender identities as well as gender biases involved in creating the perfect artificial companion and developing AI systems These biases often perpetuated by deep learning algorithms underscore the need for critical reflection amid the evolution of AI
