Lo, Michael! Grace Livingston Hill, 2014-12-23 It was a great stone house on Madison Avenue where the crowd had gathered. An automobile stood before the door having but just come quietly up and the baby girl three years old in white velvet and ermines with her dark curls framed by an ermine trimmed hood and a bunch of silk rosebuds poised coquettishly over the brow vying with the soft roses of her cheeks came out the door with her nurse for her afternoon ride. Just an instant the nurse stepped back to the hall for the wrap she had dropped leaving the baby alone her dark eyes shining like stars under the straight dark brows as she looked gleefully out in the world. It was just at that instant as if by magic that the crowd assembled.

Lo, Michael! the Original Novel (Large Print) Grace Livingston Hill, 2014-12-19 It was an alert voice that called from a huddled group of urchins in the forefront of the crowd but the child flashed past without heeding straight up the stone steps where stood a beautiful baby smiling on the crowd. With his bundle of papers held high and the late morning sunlight catching his tangle of golden hair Mikky flung himself toward the little one. The sharp crack of a revolver from the opposite curbstone was simultaneous with their fall. Then all was confusion.

Grace Livingston Hill Combo 3 Grace Livingston Hill, 2014-12-19 Contents The Girl From Montana Lo Michael The Man of the Desert The Girl from Montana Grace Livingston Hill, 2014-12-10 The late afternoon sun was streaming in across the cabin floor as the girl stole around the corner and looked cautiously in at the door. There was a kind of tremulous courage in her face. She had a duty to perform and she was resolved to do it without delay. She shaded her eyes with her hand from the glare of the sun set a firm foot upon the threshold and with one wild glance around to see whether all was as she had left it entered her home and stood for a moment shuddering in the middle of the floor. A long procession of funerals seemed to come out of the past and meet her eye as she looked about upon the signs of the primitive unhallowed one which had just gone out from there a little while before. The girl closed her eyes and pressed their hot dry lids hard with her cold fingers but the vision was clearer even than with her eyes open. She could see the tiny baby sister lying there in the middle of the room so little and white and pitiful and her handsome careless father sitting at the head of the rude home made coffin sober for the moment and her tired disheartened mother faded before her time dry eyed and haggard beside him. But that was long ago almost at the beginning of things for the girl.
