## **Lock No Inspector Maigret:**

Lock No. 1 Georges Simenon, 2015-10-27 A writer as comfortable with reality as with fiction with passion as with reason John Le Carr The classic Inspector Maigret mystery set in a claustrophobic provincial town Cars drove past along with the trucks and trams but by now Maigret had realized that they were not important Whatever roared by like this along the road was not part of the landscape What really counted was the lock the hooting of the tugs the stone crusher the barges and the cranes the two pilots bars and especially the tall house where he could make out Ducrau s red chair framed by a window

**Lock No. 1 (Inspector Maigret)** Georges Simenon, 2025-12-09 When a drowned man comes back to life Georges Simenon s detective must to figure out who might have wanted him dead before they try again Emile Ducrau the kingpin of a small town on the outskirts of Paris is stabbed and left for dead in the harbor one night When he s pulled from the water and miraculously revived he enlists the help of Maigret to figure out who was behind the attempted murder As Maigret sorts through the complex web of deceit abuse money and power that darken Emile s many dealings in the town he must also deal with the specter of his own looming retirement But even as Maigret navigates the domineering Ducrau s attempts to control his investigation and contemplates his offer of a job he s jolted out of his reverie by two more deaths and must solve the case before the killer can strike again

*Maigret's World* Murielle Wenger, Stephen Trussel, 2017-08-07 Georges Simenon s 75 novels and 28 short stories that feature Chief Inspector Jules Maigret provide us with a great deal of information about the French police detective but only in small episodic doses As readers become acquainted with Maigret one detail at a time he slowly takes on a flesh and bone realism not merely a character in a story but someone we would like to meet in real life This book presents all the canonical facts and details about the detective and his world in one place presented with tabulations and analyses that enable a better understanding of the works and of Maigret himself

*Investigating Simenon* Russell Campbell, 2022-09-21 For nearly a century the work of Belgian crime writer and psychological novelist Georges Simenon creator of Chief Inspector Maigret has captivated readers worldwide This investigation situates Simenon s work in its

historical context and interprets it as a reaction to shifting gender relations in Western society. Simenon's compelling narratives capture the anxieties of men whose patriarchal position was under threat in an era of insurgent feminist movements. These concerns are also evident in Simenon's pervasive preoccupation with sexuality as well as his political stance that stems from his petit bourgeois upbringing. This groundbreaking study includes interwoven commentary on all 191 novels Simenon published under his own name including several that have never been translated into English as well as a number of short stories and several pseudonymous works. *The Encyclopedia of Murder and Mystery* B.
