London's Docklands Fiona Rule, 2019-01-28 Do you remember the docks In its heyday the Port of London was the biggest in the world It was a sprawling network of quays wharves canals and basins providing employment for over 100 000 people From the dockworker to the prostitute the Romans to the Republic of the Isle of Dogs London's docklands have always been a key part of the city But it wasn't to last They might have recovered from the devastating bombing raids of the Second World War but it was the advent of the container ships too big to fit down the Thames that would sound the final death knell Over 150 000 men lost their jobs whole industries disappeared and the docks gradually turned to wasteland In *London's Docklands A History of the Lost Quarter* best selling historian Fiona Rule ensures that though the docklands may be all but gone they will not be forgotten

Olympic Housing Penny Bernstock, 2016-05-13 One of the distinguishing characteristics of London's bid to host the games was its commitment to legacy where it was argued that the legacy would lead to the regeneration of an entire community for the direct benefit of everyone who lives there This book adopts a critical approach to the concept of legacy focussing specifically on housing It argues there will be a range of both intended and unintended legacy outcomes and an urgent need for revised strategies if those original objectives are to be achieved The concept of legacy is explored in a number of ways including an overview of housing legacy in other host cities the experiences and perspectives of those residents decanted to make way for the Olympic Park a critical review of legacy plans a detailed analysis of the conversion of the Athletes Village into housing and a case study of the emerging area Stratford High Street which explores issues of social class change and the limitation of planning policies Whilst taking housing as its focus this book adopts a sociological perspective by exploring the likelihood of social class change in order to draw conclusions about gentrification social

polarisation and the extent to which social inclusion is reflected in housing legacies The Times London History Atlas Hugh D.
