## **Long Way Gone Study Guide:**

A Long Way Gone Ishmael Beah, 2007-02-13 My new friends have begun to suspect I haven't told them the full story of my life Why did you leave Sierra Leone Because there is a war You mean you saw people running around with guns and shooting each other Yes all the time Cool I smile a little You should tell us about it sometime Yes sometime This is how wars are fought now by children hopped up on drugs and wielding AK 47s Children have become soldiers of choice In the more than fifty conflicts going on worldwide it is estimated that there are some 300 000 child soldiers Ishmael Beah used to be one of them What is war like through the eyes of a child soldier How does one become a killer How does one stop Child soldiers have been profiled by journalists and novelists have struggled to imagine their lives But until now there has not been a first person account from someone who came through this hell and survived In A Long Way Gone Beah now twenty five years old tells a riveting story how at the age of twelve he fled attacking rebels and wandered a land rendered unrecognizable by violence By thirteen he'd been picked up by the government army and Beah at heart a gentle boy found that he was capable of truly terrible acts This is a rare and mesmerizing account told with real literary force and heartbreaking honesty African

Memoirs and Cultural Representations Toyin Falola, 2023-02-14 Traditions and cultures represent a set of persisting or prevailing beliefs social practices oral linguistic and values that define an individual's way of life In other words in memoir writing the emphasis is often to propagate a unilateral need or embrace of self identity However the dominant narrative and method of analysis in this study holds the notion and privileges that tradition and cultures imbibed by memoirists are sometimes subverted refashioned or reworked due to the strand of experiences or realities they encounter in different spaces as their narration develops Thus memoirists embrace indifference and open mindedness which is also greatly explored in the context of autobiography **Teaching Young Adult Literature** Thomas W. Teaching the Tough Issues Jacqueline Darvin, 2015-04-24 This book introduces a groundbreaking teaching method intended to help English social studies and humanities teachers address difficult or controversial topics in their secondary classrooms Because these issues are rarely addressed in teacher preparation programs few teachers feel confident facilitating conversations around culturally and politically sensitive issues in ways that honor their diverse students voices

and lead to critical transformative thinking The author describes a four step method to help teachers structure discussions and written assignments while concurrently assisting them in addressing Common Core State Standards Designed to aid students in both developing their own viewpoints on contentious issues and in actively critiquing those of their teachers and peers these practices will enhance any humanities curriculum **Study Guide-Living Sociology** Elizabeth Knox,Knox,1990

**Summary of Ishmael Beah's A Long Way Gone** Everest Media,2022-03-25T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The first time I was touched by war was when I was twelve years old I left home with my brother and friend Talloi to go to the town of Mattru Jong to participate in a friends talent show We were introduced to rap music during one of our visits to Mobimbi a quarter where the foreigners who worked for the same American company as my father lived 2 I had learned how to dance to hip hop music and my friends and I would mimic the songs when we were alone One afternoon Father came home and asked me if I could even understand what I was saying I had learned how to dress fashionably which would help me when I arrived in America 3 The next day we went to visit our friends in Mattru Jong We learned that the rebels had attacked the mining areas in the afternoon causing people to flee in different directions fathers came running from their workplaces only to stand in front of their empty houses 4 I was anxiously waiting to see if I would see my family but there was no news of them I couldn t believe that the war had actually reached our home It was impossible

**Representations of Child Soldiers in Contemporary African Narratives** Ademola Adesola,2024-09-11 In Representations of Child Soldiers in Contemporary African Narratives Ademola Adesola examines the dominant factors that writers privilege in their portrayals of child soldiering in sub Saharan Africa In his textual interpretive analyses of selected novels in the African child soldier genre Adesola contends that critical discussions of African child soldier literature have depended on the interpretive frameworks supplied by Western humanitarian discourses which oversimplify and de historicize experiences of war in Africa The author argues that such reductive decontextualization of war realities serve to champion a narrow vision of war in African contexts centered on a moral and humanitarian urge for Western intervention Regardless of whether the casus belli legitimating those wars are genuine or not those conflicts and children s involvement in them are understood within the same racist colonial and ethnocentric stereotypes about Africa that

have been privileged in Western thought and the Western moral political imagination for centuries Thus in studying African child soldier narratives this book provides an alternative reading of novels whose settings feature African ethno-political conflicts such as in Sierra Leone Liberia Congo Brazzaville Nigeria notable for their exploitation of children for military ends The author maintains that these works are significant in the varying ways they reify and challenge the Western ideas of child and childhood as well as privilege child soldiers as social actors whose intricate makeups disavow being simply understood as innocent victims or irredeemable perpetrators of atrocities **Terrorism in Perspective** Sue Mahan, Pamala L.
