### **Course Description:**

Students will identify and analyze a variety of issues, events, causes, systems, and organizations that impact our global community. Students will discuss historical trends and debate future outcomes regarding topics like globalization, modernization, religious, cultural, and political conflict, human geography and population trends, displacement, poverty, resource management, and other world issues. The aim of this course is to expose students to important issues, with the purpose of helping them develop global perspective and awareness. This course also teaches students how to effectively locate and evaluate information from a variety of media sources. Coursework will offer opportunities to explore global issues and consider ways that we can make a global impact locally. Students will use their skills and awareness to prepare an extended junior year project that will culminate in a public group presentation on an organization dedicated to global philanthropy.
