

# Keep it safe on the water

For many, the summer months mean many hours spent in a boat, and there are precautions you should always take before every trip — not to mention mandatory equipment you need to have by law

Regulations vary based on size of boats, but basic safety equipment and suggestions don't change

- Highly recommended suggestion
- Required by law

## ■ Sound signalling device

- Can be a pealess whistle, compressed gas horn or an electric horn (if craft is less than 32 m in length)
- Larger boats require fitted whistles

## ■ Bailer or hand-pump

## ■ Fire extinguisher

- Required for boats with inboard motors, fuel fuel tanks and/or any fuel burning cooking heating or refrigeration units

## ■ Buoyant heaving line

- At least 25 m in length

## ■ Life-jackets

- Must be Canadian-approved life-jackets or PFDs
- Must have one for each person
- Make sure to check condition (zippers, buckles, fabric, seams)

## ■ Licence and proof of competency

- Licence necessary if craft has motor of 30hp or more
- Best way to get proof of competency is with local course and safety test

## ■ First-aid kit

- You never know when you might catch a stray fishing hook in the arm!

## ■ Lights

- Navigation lights for use between sunset and sunrise or during bad-weather

## ■ Tools and spares

- Basic tools for your boat
- Include spares, such as fuel filters, light bulbs, spark plugs, etc.

## ■ Flashlight or flares

- Waterproof flashlight
- Must have 3 Canadian-approved flares (type A, B or C)

## ■ Food and clothes

- Spare clothing in case the weather takes you by surprise
- Drinking water and snacks for long trips

## ■ Charts, compass and local hazards

- Be aware of local hazards, water levels and tides

## ■ Boat condition

- Check for things like cracks, oil levels, hose leaks, battery charge, etc.

## ■ Oar or anchor

- Anchor must have at least 25 m of rope, cable or chain

## ■ Weather

- Always check the forecast before leaving
- Have a radio on board to receive updates

## ■ Fuel

- Check fuel levels
- Rule of thumb: 1/3 to go, 1/3 to return, 1/3 reserve

## ■ Sail plan

- Plan your trip before you leave
- Tell someone where you are going and when you will be back

**\$250**

fine for failing to have proof of competency on board

**\$250**

fine for failing to have required pleasure craft licence

**\$200**

fine for not enough lifejackets (plus \$100 for each one missing)

**\$200**

fine for not having safety equipment in good working order

**\$250**

fine for altering/defacing/removing hull serial number

**\$500**

fine for operating a vessel in an unsafe manner
