Reflections of an Angel Dora Sherry, 2020-06-22 *Lost and Found* Stephen C. Waller Dds, 2013-05 *Lost and Found* presents an accurate and true account of an addict s life before during and after his chronic addiction to drugs specifically to crack cocaine The majority of addicts never get the chance to live in recovery long term They end up prematurely dead or in a jail due to drug related crimes The life of an addict is bleak unchanging and spent primarily in denial denial that there is a problem or that they need help With addiction being as prevalent as it is author Stephen C Waller felt compelled to tell his story as honestly as possible as it relates to his addiction The journey of an addict is paved with many starts and stops The addiction dictates their every action and it fuels their unrealistic sense of self worth Until the addict believes that they have a problem no one can help them Waller describes the disintegration of his life from his career as a very successful dentist a

lucrative dental practice that allowed him a new Porsche and a beautiful home through a downward spiral into addiction and unemployment that left him living with his elderly mother and aunt He then goes on to consider what factors brought him into long term recovery Brutally honest throughout *Lost and Found* chronicles a journey through the life of an addict beginning before the active addiction through the thirty four years of drug use and into the following sixteen years of sobriety *Lost in the Valley* Ivana Vereen,2015-03-23 Ivana Vereen gives a graphic account of her life s struggles with drug addiction and recovery Abused and bullied as a child she later turned to drug abuse which led to teen pregnancy poverty homelessness prostitution domestic violence incarceration and several near death experiences She found recovery through faith hard work and determination She shares her story in the hopes that others will try a less traditional road to recovery *Lost and Found* NICK. this is the true story of falling apart and rising again not as the man the world expected but as the one he was always destined to be From a young age Daniel battled invisible enemies childhood trauma identity struggles anxiety and a haunting sense of unworthiness These internal wounds eventually led him into the throes of substance abuse incarceration and a mental health system that too often silenced rather than healed But even in his darkest moments a quiet voice within whispered that he was more than his circumstances more than his past This memoir traces Daniel's path from breakdown to breakthrough It is a chronicle of hitting rock bottom and using it as a foundation to rise Inside he shares deeply personal moments waking up in psychiatric wards crying out to a God he wasn't sure was listening and finally surrendering to a truth far greater than pain More than a personal testimony this book is a mirror for anyone searching for hope healing and identity Through vulnerability vivid storytelling and spiritual reflection Daniel reveals how he reclaimed his soul aligned with his purpose and became a voice for those still in the storm In these pages you will discover The emotional cost of trauma and the courage it takes to heal A behind the scenes look at mental illness and recovery from inside the system The role of faith forgiveness and clarity in personal transformation Raw truths about addiction shame and spiritual awakening Reflections that guide you to your own inner light Daniel's journey reminds us that even in our most shattered state we are not broken we are becoming That rock bottom can be the starting point of divine restoration That healing is not only possible it is your birthright This is not just a memoir It's a sacred roadmap It's a call to remember who you are beneath the labels the scars and the noise Whether you've faced addiction battled mental illness or simply felt lost in your own life Looking for Me will stir your soul break your heart open and leave you with a deeper knowing you are not alone and your light still lives
