Catalogue Maggs Bros,1920 **Mark Twain** Frederick Anderson,2013-07-04 This set comprises 40 volumes covering 19th and 20th century European and American authors These volumes will be available as a complete set mini boxed sets by theme or as individual volumes This second set compliments the first 68 volume set of Critical Heritage published by Routledge in October 1995 **Mark Twain** Harold H. Kolb Jr.,2014-10-29 Mark Twain is America s perhaps the world s best known humorous writer Yet many commentators in his time and our own have thought of humor as merely an attractive surface feature rather than a crucial part of both the meaning and the structure of Twain s writings This book begins with a discussion of humor and then demonstrates how Twain s artistic strategies his remarkable achievements and even his philosophy were bound together in his conception of humor and how this conception developed across a forty five year career Kolb shows that Twain is a writer whose lifelong mode of perception is essentially humorous a writer who sees the world in the sharp clash of contrast whose native language is exaggeration and whose vision unravels and reorganizes our perceptions Humor in all its mercurial complexity is at the center of Mark Twain s talent his successes and his limitations It is as a humorist amiably comic sharply satiric grimly ironic simultaneously humorous and serious that he is best understood
