Bigelow, 2023-08-21 Analyzes a film genre s confrontation of a regional identity Known for their progressive environmental policies and nature loving citizens Nordic countries also produce what may seem a counterintuitive film genre ecohorror where distinctions between humans and nature are blurred in unsettling ways From slashers to arthouse thrillers transnational Nordic ecohorror films such as Antichrist dir Lars von Trier 2009 and Midsommar dir Ari Aster 2019 have garnered commercial and critical attention revealing an undercurrent of ecophobia in Nordic culture that belies the region s reputation for environmental friendliness In Menacing Environments Benjamin Bigelow examines how ecohorror rings some of the same alarm bells that climate activists have sounded suggesting that the proper response to the ongoing climate catastrophe is not optimism and a market friendly focus on sustainable development but rather fear and dread Bigelow argues that ecohorror destabilizes the two pillars of Nordic society the autonomous individual and the sovereign state He illustrates how doing away with any clean separation of the domains of human culture from a wild untamed realm of nature reminds viewers of the complex and often threatening material entanglements between humans and their environments Through Bigelow s analysis ecohorror proves to be a potent vehicle not only for generating a strong affective response in audiences but also for taking on the revered institutions unquestioned ideological orthodoxies and claims of cultural exceptionalism in contemporary Nordic societies Menacing Environments is freely available in an open access edition thanks to TOME Toward an Open Monograph Ecosystem and the generous support of the University of Minnesota DOI 10 6069

How Not to Be a Perfect

Mother Libby Purves, 1986 This is a book which sets out to show that even the most unpromising madonna can survive the years of looking after babies and toddlers Full of down to earth tips and anecdotes this is a battle manual for the mother on the front line going from pregnancy to pre schoolers and taking in sibling fights fraught outings nannies and careers along the way

I'm Not Magical Mommy Andrea Guice, 2018-02-09 I m not magical mommy This vital statement was stated when I began to take a closer look at myself and realized I had become overwhelmed with all the jackets that I had worn for years as a mom I understood that I had made the choice to have a child but felt it wasn't a life sentence This was the critical moment when I began to reflect how I quieted a crying infant consoled fussy preschoolers worried about adolescence and pre teens and tearfully said good bye's to children that had become adults I learned that being a parent takes strength and love I realized that being a mother is purely magical

Confessions of a Scary Mommy Jill Smokler, 2012-04-03 Sometimes I just let my children fall asleep in front of the TV In a culture that idealizes motherhood it's scary to confess that in your house being a mother is beautiful and dirty and joyful and frustrating all at once Admitting that it's not easy doesn't make you a bad mom at least it shouldn't If I can't survive my daughter as a toddler how the hell am I going to get through the teenage years When Jill Smokler was first home with her small children she thought her blog would be something to keep friends and family updated To her surprise she hit a chord in the hearts of mothers everywhere I end up doing my son's homework It's wrong but so much easier Total strangers were contributing their views on that strange reality called motherhood As other women shared their stories Jill realized she wasn't alone in her feelings of exhaustion and imperfection My eighteen month old still can't say Mommy but used the word shit in perfect context But she sensed her readers were still holding back so decided to start an anonymous confessional a place where real moms could leave their most honest thoughts without fearing condemnation I pretend to be happy but I cry every night in the shower The reactions were amazing some sad some pee in your pants funny some brutally honest But they were real not a commercial glamorization I clock out of motherhood at 8 P M and hide in the basement with my laptop and a beer If you're already a fan lock the bathroom door on your whining kids run a bubble bath and settle in If you've not encountered Scary Mommy before break out a glass of champagne as well because you'll be toasting your initiation into a select club I know why some animals eat their young In chapters that cover husbands The Biggest Baby of Them All to homework Didn't I Already Graduate Confessions of a Scary Mommy combines all new essays from Jill with the best of the anonymous confessions Sometimes I wish my son was still little then I hear kids screaming at the store As Jill says We like to paint motherhood as picture perfect A newborn peacefully resting on his mother's chest A toddler taking tentative first steps into his mother's loving arms A mother fluffing her daughter's prom dress These moments are indeed miraculous and joyful they can also be few and far between Of course you adore your kids Of course you would lay down your life for them But be honest now Have you ever wondered what possessed you to sign up for the job of

motherhood STOP DO NOT OPEN THIS BOOK UNTIL YOU RECITE THESE VOWS I shall remember that no mother is perfect and my children will thrive because and sometimes even in spite of me I shall not preach to a fellow mother who has not asked my opinion It s none of my damn business I shall maintain a sense of humor about all things motherhood Mommy Needs a Raise (Because Quitting's Not an Option) Sarah Parshall Perry,2016-07-05 Goodbye Board Room and Legal Briefs Hello Dimples Diapers and Destruction Women know that raising children will be different from climbing the corporate ladder But nothing can truly prepare them for the mind muddling world of motherhood It doesn t take long for a new mom to question whether her tyrannical diapered boss really understands her value to the organization Because honestly She s not always sure herself With her signature wit lawyer turned full time mommy Sarah Parshall Perry says what all new moms are thinking when they trade annual reports for homework help and yoga pants Perry invites moms to laugh alongside her amidst the Are you kidding me moments that come with the job of raising humans This book is story of every mother who gives up one thing to get something better and ends up finding out what she s worth along the way **Parentally Incorrect** Shayna Ferm,Tracey Tee,2018-03-06 Motherhood is not for the fainthearted It s often a mayhem marathon filled with exhausting days punctuated by public outbursts poison control phone calls and poop everywhere In this book straight from Tracey Tee and Shayna Ferm s irreverent mom to mom comedy phenomenon The Pump and Dump Show you ll be relieved to know you are not alone Women across the country have confessed their craziest most exasperating unforgettable things their kids have done on handwritten cards that make up this book Parenting is really hard but often hilarious and we re all just doing the best we can **Not a Picture Perfect Parent** Betsy Harloff,2020-12-09 Real Raw Honest Unfiltered Essays on Motherhood Social media has made us feel like we must do all the things and do them perfectly Be the perfect mom post the perfect pictures and have perfect well behaved children But what if you re not perfect When everyone else is putting their best face forward I decided to write about the hidden side of motherhood The uncomfortable parts I m not proud to share As a mom for the last twenty one years I have felt utterly alone at times I wrote the book that I needed when I felt like I was drowning in failure Mistakes don t make you a bad mom they make you a real mom I wrote this book for every mom who has ever felt like she failed her children For every mom who has ever made a mistake For every mom who has ever felt the isolating loneliness of motherhood even when surrounded by tiny humans For every mom scrolling through her social media feed thinking she is the only one who s not so perfect For every mom everywhere no matter how you choose to parent This book will take you on an emotional rollercoaster from very heavy topics to light and funny Hang on tight because you are in for a ride Not All Mothers Love Their Baby Kirsty Mac,2021-10-06 Unlike the glamorous image of motherhood we see portrayed in film TV and social media bonding through breastfeeding family days out capturing lifelong memories and well put together mothers who can do it all this book shows a raw and gritty reality that for a lot of first time parents is far from what they expected Her world turned upside down through shock and trauma of childbirth and dealing with the heartache of postnatal depression in

its wake Kirsty recounts the first few years of motherhood that this cruel mental illness stole from her robbing her of joy threatening her relationship and rendering her incapable of feeling any love for her baby whatsoever Instead she found herself in a constant state of mental brutality with The Mind Demons isolating her from loved ones berating her with intrusive thoughts and sending her into a downward spiral of self loathing and suicidal ideation Without holding back Kirsty takes her readers on a painful albeit rich with humour and wit journey through postnatal depression cracked nipples and swollen yoo-ha's galore Believing herself to be a toxic horrid beast and a failure of a mother so much of her story will relate to new parents everywhere especially those who have also found themselves asking why everyone else seems to have it together and they don't From breakdowns mid passion to weeping over postpartum belly pouches this is a real story of parenthood in all its sincere pain rage and love eventually

The Not Good Enough Mother Sharon Lamb, 2019-06-25 A psychologist who evaluates the fitness of parents when their children have been removed from their custody finds herself reassessing her own mothering when her son falls victim to the opioid crisis Psychologist and expert witness Dr Sharon Lamb evaluates parents particularly in high stakes cases concerning the termination of parental rights The conclusions she reaches can mean that some children are returned home from foster homes Others are freed for adoption Well trained Lamb generally can decide what's in the best interests of the child But when her son's struggle with opioid addiction comes to light she starts to doubt her right to make judgments about other mothers As an expert a professor and a mother Lamb gives voice to the near impossible standards demanded by a society prone to blame mothers when anything befalls their children She describes vividly the plight of individual parents mothers in particular struggling with addiction and mental illness and trying to make stable homes for their kids amid the economic and emotional turmoil of their lives all in the context of the opioid epidemic that has ravaged her home state of Vermont In her office during visits with their children and in the family court the parents we meet wait anxiously for Lamb's verdict Have they turned their lives around under child welfare's watchful eye Do they understand their children's needs In short are they good enough But what is good enough Lamb turns that question on herself in the midst of her gradual realization of her son's opioid addiction Amazed at her own denial feeling powerless to help him Lamb confronts the heartache she can bring into the lives of others and her power to tear families apart
