MSP® 5th edition Practitioner Courseware - English
Douwe Brolsma, Mark Kouwenhoven, 2021-10-15. Besides the MSP 5th Edition Foundation Courseware (English) publication, you are advised to obtain the corresponding publication *Managing Successful Programmes 5th edition* (ISBN 9780113316762). This 5th edition will help current and aspiring programme managers and many other roles to design, plan, lead and deliver their programmes and thus help organizations be successful. Programme management is recognized as an approach that brings together multiple projects and other work associated with delivering outcomes of benefit across organizational boundaries. The programme management approach shows organizations how to adopt appropriate governance, pace and focus to enable them to move ahead. MSP 5th describes an adaptable set of programme management approaches leading to the creation of outcomes of benefit in an incremental way and to provide an integrated framework that guides the work. MPS 5th applies three lenses: Principles are the guiding obligations to achieve Value; Themes are the essential governance documented in Approaches; Processes are a structured set of activities showing how themes are applied in the programme cyclical lifecycle. Value proposition: MSP is the certification and guidance for programme managers, business change managers and the next step for

project managers to develop their knowledge and skills to be able to positively respond to the challenges they face when managing programmes and larger more strategic or multiple projects Programme management using MSP creates a framework that enables the organization to align the delivery of programmes and projects to organizational strategy and to focus on the delivery of outcomes and benefits while mitigating risks and actively engaging stakeholders at all levels MSP can be used in conjunction with all the other best practice products e g PRINCE2 MoP M_o_R and international or internal organizational standards for governance The MSP Foundation Certification is suitable for individuals wanting to demonstrate they have achieved sufficient understanding of the theory of the MSP methodology MSP represents proven programme management best practice in the successful delivery of transformational change through the application of programme management MSP has been adopted by many organizations within both the public and private sectors The core publication Managing Successful Programmes has drawn on the experiences of those who have adopted programme management Key benefits MSP leverages off the real life expertise of the global programme management community offering practical relevant current accessible guidance The new exams highlight real world applications that equip professionals for success in Programme management This MSP 5th edition Courseware is suited for the MSP 5th edition exams and contains sample exams and lots of extra short exercises to facilitate interactive training courses both offline and online
