The Oxford Guide to Middle High German Howard Jones, Martin H. Jones, 2019-05-15 The Oxford Guide to Middle High German is the most comprehensive self contained treatment of Middle High German available in English It covers the language literature history and culture of German in the period from 1050 to 1350 and is designed for entry level readers advanced study teaching and reference The book includes a large sample of texts not only from Classical works such as Erec the Nibelungenlied Parzival and Tristan but also from mystical writing chronicles and legal documents the selection represents all major dialects and the full time span of the period The volume begins with an introduction that defines Middle High German linguistically geographically and chronologically Chapter 2 then provides a detailed exploration of the grammar covering sounds and spelling inflectional morphology syntax and lexis Each section in this chapter begins with a summary of the main points followed by detailed paragraphs for in depth study and reference Chapter 3 deals with versification discussing metre rhyme lines of verse in context and verse forms and includes practical tips for scansion Chapter 4 offers an account of the political and social structures of Medieval Germany and a survey of the principal types of texts that originated in the period The final chapter of the book comprises over forty texts each placed in context and provided with explanatory footnotes the first two texts to be taken together with the introductory grammar sections are aimed at newcomers A glossary provides full coverage of the vocabulary appearing in the texts and throughout the book

Guide to Scripts Used in English Writings Up to 1500 Jane Roberts, 2008 Despite a resurgence of interest in the history of the English language this work is the only book available to introduce readers to the scripts used in Old and Middle English writing The best way to understand changes in scripts across time is through visual examples and this highly illustrated book reveals precisely how Middle English is different from Old English and how these gradual changes have developed Images from important literary texts such as Caedmon's Hymn and the Lindisfarne Gospels demonstrate the chronological progression of the writing
