Are We Living in the Last Days? Bryan Chapell, 2024-02-06 Will Jesus's return be preceded by a single world government Will every person have a government issued ID or mark Does Christ return once or twice Will believers go through a Great Tribulation Will there be a literal battle of Armageddon Does it even matter what we believe about future events Biblical prophecies about the end times have confused confounded and even divided God's people for centuries But the reason Scripture gives us hints about the future is to provide the encouragement we need to endure the present confident that God keeps his promises In this balanced look at four major views of the end times bestselling author Bryan Chapell explains the primary ways Christians have interpreted biblical prophecy about the last days not so that we might pick a hill to die on but so that we can cling to what unites us in Christ No matter what end times view we find most compelling in God's plans we can find strength for today and hope for tomorrow

Spirit prophesied about the major signs we'll see in society at the end of the age. What are the key areas the devil will try to pervert in society? What we need to do to not get caught up in these messes? If you will give your ears to what the Word of God has to say, you will be anointed, prepared, and victorious regardless of the moral confusion of an ever-darkening world. **We Are Not Living in the Biblical Last Days** Dr. Otis Terrell Williams Sr., Th.D., 2016-01-05. The Biblical Last Days are considered by many to be the last days of the physical earth and the second coming of Jesus Christ. The many who believe that theory only believe it because they heard someone say and present that notion. That is a case of scriptural ignorance. It usually comes from the pastor or Sunday school teacher. Nowhere in the scriptures does it teach the physical earth will end, nor does it teach the physical bodily return of Jesus Christ anytime after the first century. If people would only read and study the Scriptures for themselves and let the written time statements of the book mean what they say, we all would learn. **We Are Not Living in the Biblical Last Days: Stop the Erroneous Teaching**. This book is not written for scholarly accolades. However, it is written with a simple flair to give insight to the least learned individual. To get its full adaptation, one must drop the preconceived faulty teachings from early Sunday school lessons, bible classes, and parental traditions concerning the Last Days the Bible speaks of. **Are We Living in the End Times?** Tim LaHaye, Jerry B. Jenkins, 2000-11. The authors present twenty reasons for believing that the Rapture and Tribulation could occur during our generation and offer help for a more holy life, more evangelism, and more interest in missions. **Signposts of the Last Days** Bill Goodwin, 2012-06. **SIGNPOSTS of The Last Days** is not an attempt to sensationalize predicted events from prophecy implying they will happen in a particular manner. Remember that when Jesus came the first time, all but two people were looking for a different kind of Messiah than the One they got. Instead, you will find the Biblical basis for twelve predicted events of the Last Days. This book is written to review some of the available passages concerning these events that will lead to the end of the Last Days and how they relate to each other. They are arranged in the order they are expected to happen. It also is designed to relate coming events to the past times in which God has presented Himself to the world using different people. This is your opportunity to separate the modern-day scenarios seemingly written for Hollywood from what we might realistically expect should we be alive to see it all unfold. Please read them all with the understanding that there may be fewer than two individuals who get close to the actual truth this time around. **Hope in the Last Days** Dave Williams, 2017-05-02. Understand how ancient biblical prophecies are coming to pass in our day; how coming prophetic events will impact you; and how there is hope for all followers of Christ. Today, there is a tremendous interest in Bible prophecy, particularly because end-time events prophesied long ago are coming to pass in an extraordinary manner. **Hope in the Last Days** reveals, based on prophecy fulfilled and yet to be fulfilled, that very shortly the world will reel into its deepest hour of torment and agony. Dave Williams encourages you with the truth of how coming events will affect you and your loved ones and what God has planned as a way of escape for followers of Jesus Christ. **Implosion** Joel C. Rosenberg, 2012-06-12. Bestselling author and international political expert Joel

C Rosenberg tackles the question Is America an empire in decline or a nation poised for an historic renaissance America teeters on a precipice In the midst of financial turmoil political uncertainty declining morality the constant threat of natural disasters and myriad other daunting challenges many wonder what the future holds Will history s greatest democracy stage a miraculous comeback returning to the forefront of the world s economic and spiritual stage Can America s religious past be repeated today with a third Great Awakening Or will the rise of China Russia and other nations coupled with the US s internal struggles send her into a decline from which there can be no return Implosion helps readers understand the economic social and spiritual challenges facing the United States in the 21st century through the lens of biblical prophecy

Are We Living in the End Times or Final Days? Michael Scantlebury,2022-09-15 Whenever we hear about the end times or the last days it conjures up all kinds of images in our minds We may think of the universe blowing up with the largest flame imaginable ushering in a new heaven and a new earth We have presupposed in the body of Christ that the righteous will be raptured away before all of this occurs leaving the world to face a massive fire of destruction Upon hearing Christians mention the last days many just assume they re referring to the end of time and the end of the world But the attentive Bible student will ask The last days of what It seems obvious to me that the text is referring to the end of the Old Covenant Temple aeon age When you read the New Testament through this lenses all I can say is Wow It makes a significant difference when you read the Scriptures with the realization that the Bible was written for you not to you We need to also understand that time of the end and the end of time are not one and the same The Bible teaches about the time of the end but nothing is taught about an end of time **End-Times Prophecy and "The Last Days"** Kendall Brashears,2024-08-19 End Times Prophecy and The Last Days invites people to explore end times biblical prophecy and to open Revelation the last book of the Bible These sources reveal God s will for individuals and his whole world Kendall Brashears distills over three decades
