**Gay Identity, New Storytelling and The Media** C. Pullen, 2015-12-11 This critical introduction to gay and lesbian identity within the media explores the concept of new storytelling The case studies look at film television and online media focussing on the narrative potential of individual storytellers who as producers writers and performers challenge identity concerns and offer new expressions of liberty

Web of Lies Aoife Gallagher, 2022-10-06 There are many ways to fall down the rabbit hole and it may be far easier than you realise Research analyst Aoife Gallagher has spent years investigating the darkest corners of the internet but what happens when the online world spills into real life Web of Lies is a fascinating deep dive into the rising threat of conspiratorial thought in Ireland and internationally and explores how the internet is being used to spread disinformation polarising society and radicalising people into extremism in the process With balance and fairness Gallagher connects the world's oldest hatreds to current online cultures showing how conspiratorial thinking can proliferate during times of crisis and how to recognise its most harmful impacts Web of Lies is an urgent provocative but ultimately hopeful call to protect ourselves and our loved ones before it's too late Ever wondered how good

people get trapped in their worst nightmares Web of Lies is an unforgettable journey through the upside down world of conspiratorial thinking Aoife Gallagher has written the definitive account of how global lies have changed Irish lives in a book full of personal empathy unrivalled expertise and captivating storytelling It shines a light on the real world harm of our darkest online fantasies and it shows how each of us can fight back Mark Little At a time of fractious discord in discourse Gallagher provides a vital context to and education in the strange and alarming world of conspiracy theories Anyone interested in truth and facts should read this book Una Mullally Aoife Gallagher can plumb the depths of the internet and come up to the surface to explain what she s found with levity empathy and humour Wise without lecturing sharp but always maintaining compassion for those caught up in misinformation A fantastic global overview of trends while having one eye on how these things have come to Ireland Brianna Parkins **Education, the Environment and Sustainability** Kai

Horsthemke,2024-02-15 This book tackles questions about the metaphysical and ethical foundations of our concern for our planet and about educational and pedagogical implications It pursues answers to urgent questions such as should educational policy and practice be informed by a concern for nature and the environment for our human purposes Or should we teach and learn for the natural environment in and for itself Chapters in this volume contribute towards the unmasking and undoing of the various kinds of denialism and pernicious relativism cultural moral and epistemological that have held us in their grip and that continue to thwart attempts to establish a sane and morally sustainable set of relationships between us human beings and other animals and the animate and inanimate environment Education the Environment and Sustainability provides educators and interested laypersons with tools for critical reflection and interrogation of their own and others assumptions preconceptions and practices affecting nature and the environment This volume was originally published as a special issue of Ethics and Education *Sticks and Stones* Emily Bazelon,2013-02-19 NATIONAL BESTSELLER Being a teenager has never been easy but in recent years with the rise of the Internet and social media it has become exponentially more challenging Bullying once thought of as the province of queen bees and goons has taken on new complex and insidious forms as parents and educators know all too well No writer is better poised to explore this territory than Emily Bazelon who has established herself as a leading voice on the social and legal aspects of teenage drama In *Sticks and Stones* she brings readers on a deeply researched clear eyed journey into the ever shifting landscape of teenage meanness and its sometimes devastating consequences The result is an indispensable book that takes us from school cafeterias to courtrooms to the offices of Facebook the website where so much teenage life good and bad now unfolds Along the way Bazelon defines what bullying is and just as important what it is not She explores when intervention is essential and when kids should be given the freedom to fend for themselves She also dispels persistent myths that girls bully more than boys that online and in person bullying are entirely distinct that bullying is a common cause of suicide and that harsh criminal penalties are an effective deterrent Above all she believes that to deal with the problem we must first understand it Blending keen journalistic and

narrative skills Bazelon explores different facets of bullying through the stories of three young people who found themselves caught in the thick of it Thirteen year old Monique endured months of harassment and exclusion before her mother finally pulled her out of school Jacob was threatened and physically attacked over his sexuality in eighth grade and then sued to protect himself and change the culture of his school Flannery was one of six teens who faced criminal charges after a fellow student's suicide was blamed on bullying and made international headlines With grace and authority Bazelon chronicles how these kids' predicaments escalated to no one's benefit into community wide wars Cutting through the noise misinformation and sensationalism she takes us into schools that have succeeded in reducing bullying and examines their successful strategies The result is a groundbreaking book that will help parents educators and teens themselves better understand what kids are going through today and what can be done to help them through it Contains a new discussion guide for classroom use and book groups *Living Off YouTube* Dave Cullen, 2014-06-05 **The Gramophone**, 2003 *Broken Covenant* Charles M. Sennott, 1994 In 1968 a young Catholic priest named Father Bruce Ritter founded a shelter for runaways in Manhattan's East Village By 1989 his street ministry had grown into a multi million dollar empire called Covenant House But Ritter was leading a shocking double life and allegations of sexual misconduct and prostitution soon ripped his world apart Photos Superman: The Man of Steel (1991-) #79 Jon Bogdanove, Louise Simonson, 2017-02-02 Will it truly be the end of the world for Superman Red and Superman Blue The epic Millennium Giants continues The First Forty Years, New Zealand Oceanographic Institute, 1994 *Canadian Saturday Night*, 1999 **Newsweek**, 2009-04 *The Writers Directory*, 2013 American Decades: 1990-1999 Vincent Tompkins, Judith Baughman, Victor Bondi, Richard Layman, Eric L. Barger, James F. Tidd, 1994 Examines the changes in American civilization from the beginning of the twentieth century to the present **The Advocate**, 2006 Going Postal Mark Ames, 2005-10-17 Going Postal examines the phenomenon of rage murder that took America by storm in the early 1980's and has since grown yearly in body counts and symbolic value By looking at massacres in schools and offices as post industrial rebellions Mark Ames is able to juxtapose the historical place of rage in America with the social climate after Reaganomics began to effect worker's paychecks But why high schools Why post offices Mark Ames examines the most fascinating and unexpected cases crafting a convincing argument for workplace massacres as modern day slave rebellions Like slave rebellions rage massacres are doomed gory sometimes inadvertently comic and grossly misunderstood Going Postal seeks to contextualize this violence in a world where working isn't and doesn't pay what it used to Part social critique and part true crime page turner Going Postal answers the questions asked by commentators on the nightly news and films such as *Bowling for Columbine* Respiratory Care, 1987-07 Michigan Living - Motor News, 1980 **The Publishers Weekly**, 2010
