Mary Pat Fisher, 2011-10-06 This 12 month access code card gives you access to all of MyReligionLab's tools and resources including a complete eText of your book. You can also buy immediate access to MyReligionLab with Pearson eText online with a credit card at www.myreligionlab.com. *Living Religions: A Brief Introduction* 3e provides an updated and concise introduction to what is living and significant in the religions of the modern world. This survey explores the historical development and teachings of traditional faiths, indigenous religions, and new religious movements, and considers how the contemporary beliefs and practices of each of these traditions have evolved. **Living Religions, Books a la Carte Edition Plus New Myreligionlab with Etext -- Access Card Package** Mary Pat Fisher, 2013-02-08 Modern religions in today's changing world. *Living Religions* emphasizes the personal consciousness of believers and their own accounts of their religion and relevance in the present day. Mary Pat Fisher considers how the contemporary beliefs and practices of each of these traditions has evolved and explores the changing nature of each religion. The ninth edition focuses on cultural customs, popular spiritual practices, mixtures of religions, and varieties of religions. Expanded coverage of women, including women's voices and contributions, is woven into the discussion of each religion. *Living Religions* provides a sympathetic approach to the historical teachings of traditional faiths, indigenous religions, and new religious movements. The text follows a clear and straightforward account of the development, doctrines, and practices of the major faiths followed today. MyReligionLab is an integral part of the Fisher program. Key learning applications include MyReligionLibrary, Closer Look, tours, and a personalized study plan. A better teaching and learning experience. This program will provide a better teaching and learning experience for you and your students. Here's how: Personalize Learning. MyReligionLab is an online homework, tutorial, and assessment program. It helps students prepare for class and helps instructors gauge individual and class performance. Improve Critical Thinking. Review questions throughout the text encourage readers to think critically about religion. Engage Students. Diverse stories and cultural images bring religion to life. Support Instructors. The most comprehensive set of instructional materials available. Instructor resources reinforce and enliven the study of world religions. This Book a la Carte Edition is an unbound, three-hole punched, loose-leaf version of the textbook and provides students the opportunity to personalize their book by incorporating their own notes and taking the portion of the book they need to class, all at a fraction of the bound book price. **Ethics for Governance** B. P. Mathur, 2015-06-12 This book provides a comprehensive overview of India's public services and bureaucratic systems and explores why widespread corruption and inefficient delivery have slowed development. It discusses the underlying reasons for the prevailing inefficiency in public services, examines the complex linkages between ethics-based public service, India's cultural and spiritual heritage, and its current economic development model, and outlines ways to create an ethics code and an environment that is conducive to

better administration and good governance Lucid accessible and meticulously researched this will prove essential to scholars and students of public administration governance studies and political science particularly bureaucrats policy makers and civil service aspirants

Non-Western Educational Traditions Timothy G. Reagan, 2004-09-22 This text provides a brief yet comprehensive overview of a number of non Western approaches to educational thought and practice Its premise is that understanding the ways that other people educate their children as well as what counts for them as education may help us think more clearly about some of our own assumptions and values and to become more open to alternative viewpoints about important educational matters The value of this informative mind opening text for preservice and in service teacher education courses is enhanced by Questions for Discussion and Reflection and Recommended Further Readings included in each chapter New in the Third Edition Chapter 2 Conceptualizing Culture I We and The Other is new to this edition It is a response to feedback about the problems inherent in our general discourse about culture and in addition provides an example of a culture that is near to us but nevertheless alien the culture of the Deaf World Chapter 9 which deals with Islam and traditional Muslim education has been substantially revised The subtitle of the Third Edition has been changed to Indigenous Approaches to Educational Thought and Practice reflecting not so much a change in the emphases found in the book but rather a recognition of the growing scholarly interest in indigenous peoples their languages cultures and histories Various points throughout the text have been expanded and clarified and chapters have been updated as needed

Then We'll Sing a New Song Mary Ann Clark, 2012 This book examines how three African kingdoms that were involved in the slave trade specifically shaped religion in America and how they may have had an influence on contemporary American beliefs and culture

A World Religions Reader Ian S. Markham, Christy Lohr Sapp, 2020-01-17 A comprehensive and accessible textbook which explores the traditions and beliefs of the world's living religions the fully updated and revised new edition The World Religions Reader is an inclusive student friendly examination of the history teaching practices and appeal of the world's major religions Covering both the fundamentals and complexities of each religious tradition this popular textbook brings together significant texts from scriptures and scholars as well as writings from philosophers and other significant thinkers throughout history Students are provided with an introduction and overview of the tradition taken through its primary texts and presented with a text which seeks to persuade the student of the tradition's merits This new edition has been thoroughly updated to be even more accessible for students new to interreligious engagement and to reflect current trends and developments in religions worldwide Every chapter opens with a substantial overview which orients the new student and then flows into a carefully chosen set of texts a regular textbook is now combined with a Reader New content examines areas such as the Rastafarian tradition while revised chapters cover secular humanism and indigenous and emerging religious traditions The methodology of the book focuses on an empathetic approach representing each tradition from the perspective of a conventional adherent enabling students to develop understanding of each tradition and appreciate

similarities and differences in their most typical forms Invites students to study each tradition from the perspective of a follower aiming to understand why the tradition is popular and powerful Explores representative passages world views rituals and institutions ethical expressions and modern outlooks for each religion Features discussions of interfaith perspectives on the role of women in religious traditions and the impact of world events and politics on interfaith communication Encourages students to consider questions of truth the relation of religion and society and the changing nature of a tradition in the modern world Includes a complete set of pedagogical tools and instructor resources including end of chapter fact sheets topic summaries key term sections and essay and discussion questions The World Religions Reader Fourth Edition is an ideal textbook for undergraduate and graduate courses in religion especially for liberal arts and non affiliated colleges as well as general readers wishing to increase their knowledge of the world s religious traditions
