This inspirational book is for all those eager to accept the challenge of life and to profit from the wonder of love. An investment in life is an investment in change. When you are changing all the time, you've got to continue to keep adjusting to change, which means that you are going to be constantly facing new obstacles. That's the joy of living. And once you are involved in the process of becoming, there is no stopping. You're doomed. You're gone. But what a fantastic journey. Praise for *Living Loving and Learning*: Leo makes you realize what life is all about and teaches you to love yourself, your family, your friends, every human being, and the world. This book hits universal accords with all of humanity. It's basic, primal, necessary, and essential to wellness. Get it. Read it. Hug someone. This book is a practical guide for clowning. It is filled with tools and techniques that will help you find your clown and become more open to your creative sources. The author examines and makes use of the powerful qualities that children possess: imagination, innocence, purity, spontaneity, and lust for life. A clown is playful and optimistic. From behind the world's smallest mask, the red nose, he invites people to drop their own masks and show their true selves. Being very sensitive, he is able to touch them deeply. This so-called contact clown wants to make a connection from heart to heart. Kurstjens is convinced that clowns can play a crucial role in our society; they can bring people together through their open communication. This richly illustrated book comes with 25 practical exercises and provides useful information about essential themes in life: setting boundaries, overcoming emotional

blockades and daring to be vulnerable It is not only meant to inspire clowns and clowning instructors but also coaches communication trainers and everyone else who is interested in personal development Ton Kurstjens born in the Netherlands 1959 started as an improvising clown in 1983 He played in Duo Het Elftal and Duo Biek and currently he conducts clowning courses for individuals and workshops for businesspeople He also directs the clowning theatre performance Met de Neus op de Planken literally With your Nose on Stage and he supports clowns and clowning groups **Life Management Skills**
