Lone Star Sweet Potato Recipe:

Traditionally Fermented Foods Shannon Stonger, 2017-05-09 Harnessing traditions from previous generations to preserve food is not only a passion for Shannon Stonger but a way of life Shannon walked away from a career in chemistry to raise her family Shortly thereafter she and her husband moved their family off the grid to discover a more simple agrarian life With only minimal solar powered electricity Shannon relies on practical food preservation techniques such as fermentation to provide nutritious food for her family while cutting food costs In Traditionally Fermented Foods Shannon shows readers how to preserve food using traditional fermentation techniques often without refrigeration An alternative to canning and freezing traditionally fermented foods do not require modern technology to preserve You can learn Shannon's authentic preservation technique which she depends on daily to put food on the table so you know they work You can also learn how fermented foods work how to make fermented foods and how to use fermented foods in recipes This book contains over 80 recipes with corresponding photos

Holistic Lifestyle Anne Hunt, 2010-11 Diets like clothes should be tailored to you Holistic Lifestyle A Layman's Guide to Eating and Living Your Way to Better Health and Happiness This is the guide that you have been waiting for dreaming of and desperately needing to put you on a path to eating healthy that utilizes a simple program that you set up and then watch week by week the pounds vanish and your energy increase It was created out of necessity and desperation My husband had to have open heart surgery when he turned 42 He also had four subsequent stent placements After the last one he decided that he wanted to change his life to become healthier So the two of us went on a quest to find some magic plan to become healthier that we could actually live with He did not want to eat tofu nuts and twigs and I did not want to have to be a gym rat We searched for a plan that would fit our lifestyle But nothing really seemed right for us or gave enough instructions to cover everything What to do Being a nurse massage therapist Reiki Master and Clinical Aroma Therapist I knew about many different modalities that influence our health But nothing seemed to pull it all together in one nice and easy to follow format That was the beginning of this journey I wanted a resource book that looked at everything diet exercise stress management reduction how to cook what to cook what to wear what to clean my house and body with in a word one manual that encompassed all aspects of life to obtain mental physical and spiritual health This is a little bit about everything I do not claim to be an expert on life or how to live it What I have done is compiled all the things that have helped me in the past and that continue to help me to improve myself and my health My goal was to have a resource guide that contained everything that I would need in order to obtain optimal health Anne Hunt
