the Sacred Place of Women Alonzo L. Gaskill, 2023-02-14 The wife and the mother are the inappreciable treasures given unto you by God They are the fairest ornaments of existence and of them shall be born all the inhabitants of the world In the late 1800s a Russian explorer discovered another record of Christ's life and teachings guarded for centuries by the leaders of a monastery in Tibet Ancient traders recorded their experiences with Christ and His teachings and brought these records to India The explorer reported that these words were remarkable for their character of divine grandeur and were sublime words from the Master Himself Alonzo Gaskill presents this extra biblical text in which Christ expounds the divine role of women in the gospel and the family This book will help expand your appreciation and respect for women and their sacred part in God's plan *A Thematic Access-Oriented Bibliography of Jesus's Resurrection* Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort *A Thematic Access Oriented Bibliography of Jesus's Resurrection* addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views

theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease
