 A faithful reproduction of the 1967 Floyd Clymer publication of the official factory BMW Bayerische Motoren Werke  
 Workshop Manual for the R50 R50S R60 and R69S twin cylinder motorcycles It also includes the supplement issued by the  
 factory for the USA versions R50US R60US and R69US There are exhaustive tables of technical data tolerances and fits and  
 all of the expected data from a factory publication for the repair and overhaul of all major and minor mechanical and  
 electrical components making it an invaluable resource for collectors and restorers of these classic BMW motorcycles There  
 are 257 illustrations and each procedure is explained in a step by step method using an appropriate illustration The  
 translation from German to English is at times a little quirky but the profuse illustrations make up for any difficulty in  
 understanding what needs to be done True to the original this reproduction is published in four languages English German  
 French and Spanish making this a universal publication and required reading for any owner Out of print and unavailable for  
 many years this book is highly sought after on the secondary market and we are pleased to be able to offer this reproduction
