## **Multiple Choice Health Questions:**

**Public Health & Community Medicine** Raymond O. West, 1985      **Multiple Choice Questions in Hospital Pharmacy** Emad Hammouda, 2012-12-08 This book was issued in 2005 in response to the demands of competent pharmacists who are desperate to develop their career. It represents the experience of years of practice in hospital pharmacy in more than five middle east countries. The aim is to provide practical advice, exercise and an assessment tool to improve the profession of hospital pharmacy. Because of the nature of the information, this book is intended at first to be distributed only to fellow hospital pharmacists, then if inspired by further acceptance, it may be handled and exploited by other healthcare professionals as well. The majority of the information is focused at real subjective situations encountered in every day practice. Every effort has been made to ensure that the information contained in this book is correct, but no liability can be accepted for any inaccuracies or misstatements of fact contained herein and any feedback is very welcomed. I hope that you will find this book useful and enjoyable as well.
