M. Sims,Christopher Dancaster,2008-04-30 The JCT standard forms of building contract require a thorough understanding of their procedural requirements as well as their legal implications They require both the contractor and the architect on behalf of the employer to send a wide range of notices and letters if each party is to protect its legitimate interests The main contract forms are also supported by complex sub contract documentation Therefore it is not surprising that when this book of specimen letters notices and forms was first published it was widely welcomed by the construction industry The book provides examples of documentation likely to be required for a contract under the following JCT forms the Standard Form of Building Contract the Intermediate Form of Building Contract the Agreement for Minor Building Works the Standard Form of Building Contract With Contractor s Design It includes a commentary on the practical implications of the various documents and highlights the points to be watched The new edition takes into account the wide range of amendments to the latest editions of the standard forms following the Housing Grants Construction and Regeneration Act 1996 and in particular the new payment and adjudication provisions For the first time it features documentation for use with the JCT design and build form **Standard Building Sub-Contract** Joint Contracts Tribunal,Sweet & Maxwell, Limited,2007-09-30 **Understanding JCT Standard Building Contracts 7E** David Chappell,2003-09-02 This latest edition of David Chappell s bestselling guide provides an expanded presentation of the Joint Contract Tribunal JCT standard contracts the most common forms of building contract The JCT Contract With Contractor s Design WCD 98 also known as the design and build form is now covered alongside the other three major forms of contract in the JCT series JCT 98 IFC 98 and MW 98 David Chappell has updated the book in line with amendments to the contracts and recent case law He avoids legal jargon but writes with authority and precision in a style which won for the fifth edition of the book the first prize in the Best Textbook category of the 1999 Chartered Institute of Building Literary Awards Architects quantity surveyors and contractors and students of those professions should find this a straightforward and practical reference tool arranged by topic Parris's Standard Form of Building Contract David

Chappell,2008-04-15 The Joint Contracts Tribunal Standard Form of Building Contract JCT 98 is now a well established and widely used form That is not to say however that it is always well understood It is a large complex contract with a number of particularly difficult provisions It is not surprising therefore that not much guidance has been published on the form This book first written by John Parris in 1982 and revised in 1985 was widely regarded as a valuable commentary on the Standard Form Unavailable for some years it has now been substantially updated and completely rewritten by David Chappell Major changes have occurred since the last edition including a raft of amendments to the contract itself much new legislation including the Housing Grants Construction and Regeneration Act 1996 and substantial new case law The book covers all these as well as the complex performance specified work provisions and the difficult problems of nomination The nominated sub contract conditions are referred to where appropriate and the book contains guidance on related matters such as warranties letters of intent and quantum meruit The book is not simply a re writing of the contract in simple terms It contains very valuable insights and much needed guidance on some of the lesser known implications of the current form The book will provide a valuable reference for clients professional advisers and contractors as well as for lawyers needing an introduction to the contract

The JCT Standard Building Contract 2011 David Chappell,2015-08-20 Books about construction contracts tend to be dense and wordy but what most architects quantity surveyors project managers builders and employers are looking for is an easily navigable simple guide to using a contract written in plain language The JCT Standard Building Contract 2011 is an uncomplicated book about a complex and commonly used contract It straightforwardly and concisely sets out exactly what the contract requires in various circumstances as far as possible without legal jargon and without assuming any particular legal or contractual expertise from the reader It explains often from first principles exactly what is meant by a contract and why certain clauses such as extension of time clauses or liquidated damages clauses are present and more importantly what they mean The book is divided into many chapters each with many sub headings to make it easy to read and to help readers to find relevant explanations quickly Tables and flowcharts are used to ensure clarity and most chapters include a section dealing with common problems Covers the recently issued JCT Standard Building Contract 2011 Straightforward concise and as far as possible free of legal jargon Sets out exactly what the contract requires in various circumstances Includes many tables and flowcharts to ensure clarity
