Men and Bears AA.VV.,2020-01-23 The time of Carnival represents a wild time at the end of winter and pointing to the beginning of a new season It is characterized by the irruption of border figures animal masks characters which recall the world of the dead and which bring within themselves the germ of a vital force of the energy that produces the reawakening of nature and announces the growth and fertility of the new crops This wild domain shows itself under the shapes of a contiguity between human and animal the costumes the masks refer to a world in which the characteristics of the human and those of the animal are fused and intertwined Among these figures in particular emerge those of the Wild Man the human being who takes on animal like attributes and aspects and of the Bear the animal that more than all the others gets as close as possible to the human and seems to reflect a deformed image of it Such symbolic images come from far off times and places to tell a story that belongs to our common origins The bear assumes attributes and functions alike in very different cultural contexts such as the S mi of Finland or North American hunter gatherers and represents a boundary between the world of nature and the human world between the domain of animals and the difficult construction of humanity a process continued for centuries perhaps millennia and which cannot still be said complete , [The Life of Joan of Arc](#) Anatole France,1908

A Season of Madness Al Ridenour,2025-11-18 In seed time learn in harvest teach in winter enjoy William Blake *A Season of Madness* is a fantastic carnival of a book Equal parts irreverent and erudite it lovingly captures the depth complexity and subversive nature of the carnival from its ancient roots to modern expression Gorgeously illustrated intellectually hefty and also fun it is a seductive introduction to the material cultures legends and history of this perennially fascinating and slippery subject Joanna Ebenstein Founder and Creative Director of Morbid Anatomy Al Ridenour creator and host of the popular podcast Bone and Sickle and author of *The Krampus* and *the Old Dark Christmas* extends his study of Winter folk celebrations to the Spring exploring the Old World Carnival in *A Season of Madness* Sumptuously illustrated with over one hundred historical and modern images Ridenour ushers readers into cultural hinterlands where celebrations still echo the cruel realities of the old agricultural world and medieval Christianity intertwines with pagan practice From ancient Rome to modern Bulgaria readers encounter a holiday at once beautiful strange and savage Spring is welcomed by clowns waving inflated pig bladders Stalking sheepskin monsters brandish clubs bristling with hedgehog spines and plows are dragged over cobblestone streets by celebrants wearing masks painted with cow s blood Folk horror fans take heart as the Old World welcomes Spring Ridenour s first book *Krampus and the Old Dark Christmas* Roots and Rebirth of the Folkloric

Devil 2018 is considered by critics the definitive authority on pagan winter celebrations. Aside from his books and podcast, Ridenour is a sought-after expert and lecturer. Sumptuously illustrated and written with clarity, eloquence, and wry humor, *A Season of Madness* is one of those rare books that can pass muster as an academic study yet also provide a good read. Al Ridenour's meticulous research exposes the subtleties and outrageous quirks of a topic you didn't know you wanted to learn about until you picked up his book. Under his direction, the madness once again reigns as the neglected history of European Carnival is placed center stage before the reader in all its seedy, wild, and triumphant glory. Dr. Paul Koudounaris, author and photographer of *Faithful unto Death*, *Heavenly Bodies*, and numerous other exquisitely beautiful books about death.
