Journal Of Business Ethics Submission:

Perspectives on the Sharing Economy Indre Maurer, Achim Oberg, Dominika Wruk, 2019-08-15 Sharing instead of owning is one of the major trends in modern business life By changing how people consume the rise of the sharing economy has the potential to redefine the role of owners consumers and producers change their mode of transaction create innovative business models disrupt existing industries and challenge political and regulative institutions In addition to these practical implications the sharing economy phenomenon represents a novel playground for theoretical advancement attracting a multitude of research and researchers from different disciplines While this can potentially open up new avenues for practice and theory to stimulate each other they do not seem to go hand in hand at the moment This volume brings together research from a wide variety of theoretical backgrounds and disciplines to encourage academic discourse on the sharing economy phenomenon It comprises contributions that are grounded in different theoretical perspectives including business history economics strategic management organization studies information systems political science legal studies linguistics and semantics While all contributions focus on the sharing economy phenomenon they examine the subject from different disciplinary angles Together they provide a coherent and comprehensive overview of research on the sharing economy

Integrity in Business and Management Marc Orlitzky, Manjit Monga, 2017-07-06 This book highlights the interconnectedness of integrity with philosophical history leadership managerial decision making and organizational effectiveness in a wide variety of contexts e g time theft in organizations and family business Well known researchers in business ethics from all around the world reframe the literature on integrity in business and management and develop updated and more comprehensive models of integrity Integrity in Business and Management connects integrity to both ancient thought and the modern philosophy of pragmatism but also explains how contemporary societal trends may shape the way we think about integrity The final chapter warns against oversocialized conceptualizations of integrity and argues for a clear differentiation between personal integrity and moral integrity Aimed at researchers and academics in the fields of business ethics and organizational leadership Integrity in Business and Management explicates and critiques prior models of managerial integrity in a wide variety of disciplines covering economics moral philosophy business ethics organizational behavior sociology history and psychology and offers a helpful set of readings in advanced undergraduate and postgraduate courses of business ethics corporate governance corporate social responsibility and leadership to stimulate discussions about personal integrity moral integrity and organizational leadership

Citation Classics from the Journal of Business Ethics Alex C. Michalos, Deborah C Poff, 2012-08-01 The Journal of Business Ethics was founded by Alex C Michalos and Deborah C Poff and published its first issue in March 1982 It is the most frequently cited business ethics journal in the world The Journal has always offered a multi disciplinary and international public forum for the discussion of issues concerning the interaction of successful business and moral virtue Its authors and readers are primarily scholars and students in social sciences and

philosophy with special interests in the interaction of these disciplines with business or corporate responsibility Since the field of business ethics grew simultaneously with the growth of the Journal a collection of its most cited articles is tantamount to a collection of the articles that had the greatest influence in defining the field over its first 30 years of development In this anniversary volume an overview of citation classics from the Journal is presented the 33 most frequently cited articles are reproduced and brief reflections on the impact of the Journal on the field are given from over 100 scholars who authored citation classics and or distinguished papers as well as those who served on the Editorial Board and or are recognized as leaders in the field

Work and Quality of Life Nora P. Reilly, M. Joseph Sirgy, C. Allen Gorman, 2012-05-31 Employees have personal responsibilities as well as responsibilities to their employers They also have rights In order to maintain their well being employees need opportunities to resolve conflicting obligations Employees are often torn between the ethical obligations to fulfill both their work and non work roles to respect and be respected by their employers and coworkers to be responsible to the organization while the organization is reciprocally responsible to them to be afforded some degree of autonomy at work while attending to collaborative goals to work within a climate of mutual employee management trust and to voice opinions about work policies processes and conditions without fear of retribution Humanistic organizations can recognize conflicts created by the work environment and provide opportunities to resolve or minimize them This handbook empirically documents the dilemmas that result from responsibility based conflicts The book is organized by sources of dilemmas that fall into three major categories individual organizational internal policies and procedures and cultural social forces external to the organization including an introduction and a final integration of the many ways in which organizations can contribute to positive employee health and well being This book is aimed at both academicians and practitioners who are interested in how interventions that stem from industrial and organizational psychology may address ethical dilemmas commonly faced by employees

Journal of Business Strategies, 2006 **A Guide to Publishing for Academics** Jay Liebowitz, 2015-04-08 Most academics still wrestle with the publish or perish phenomenon Based on Dr Liebowitz's 25 years serving as the editor in chief of a leading international journal along with insights from some of the most knowledgeable journal editors this book shares key lessons learned to help new professors doctoral students and practitioner scholars
