**Handbook of Psychiatric Education** Jerald Kay, Edward K. Silberman, Linda Pessar, 2005 Broad based and comprehensive the book covers aspects of academic psychiatry responsibilities in teaching and education of students and residents This concise resource for faculty development in education incorporates recent innovations in teaching medical students and residents and details the newest technological tools for instruction

**E-Learning for GP Educators** John Sandars, Mayur Lakhani, Dr. Ian Banks, 2016-07-06 This work includes a Foreword by Mayur Lakhani Chairman of Council Royal College of General Practitioners General practitioners as a widely dispersed group are particularly reliant on e learning This book provides an overview of the topic and examines the past present and future challenges opportunities and benefits With chapters devoted to creating a website running short courses and standards and accreditation this guide explores both vocational training and continuing professional development It presents an evidence based practical approach for healthcare educators and practitioners with teaching responsibilities course organisers and healthcare professionals with an interest in e learning Excellent Leading edge As a practising GP I know just how hard it can be to keep up to date in a generalist discipline and showing progress Having access to information is the straightforward bit processing it and embedding it into clinical practice is the much bigger challenge as this book rightly points out As a user of e learning I know how useful this technique can be if undertaken properly and to a defined standard I have no doubt that this book will be a valuable contribution creating an innovative learning culture and society in healthcare Mayur Lakhani in his Foreword
