**Lacienga' s journey** Tylia L. Flores,2025-11-02 The air in San Juan was thick with the scent of blooming hibiscus a vibrant tapestry of colors reflected in the bustling streets Amidst this vibrant energy 12 year old Lacienga Fernandez navigated the world from her wheelchair her eyes reflecting the spirit of a young woman yearning for understanding and acceptance Life in Puerto Rico presented unique challenges for Lacienga a girl living with cerebral palsy The island steeped in rich traditions and vibrant culture was also home to a limited understanding of disability rights and accessibility Lacienga found solace in her journal and poetry pouring her heart and soul into words that captured the complexities of her experiences She observed she questioned and she yearned to be seen for who she truly was beyond the limitations imposed by societal perceptions As she entered adolescence Lacienga s world became even more complicated The fear of menstruation amplified by negative experiences shared by her friends and a prevailing cultural stigma surrounding womanhood cast a shadow over her heart Determined to suppress the natural changes in her body Lacienga found herself caught in a whirlwind of anxieties and confusion Yet amidst the challenges a flicker of hope emerged Lacienga s journey is a testament to the resilience of the human spirit a reminder that even amidst difficulties the power of self acceptance love and community can guide us towards a brighter path Join me as we explore Lacienga s world her triumphs and her unwavering quest to embrace her unique identity and find her voice in a world that often seeks to define her
