## **Kiss And Tell:**

Kiss and Tell Stephanie Kay, Andi Kay, 2009-01-06 This is a book about where to find them when to keep them why to break it off and how to lose them It s a book that tackles such important questions as How do you read between the lines to discern what s true and what s not Should you fake orgasm Is it okay to break up via voice mail What if your kids don t like him And what should you write in your on line ad We fervently believe this book will enable all single women to learn what we ve learned laugh along with us at our mistakes and thus have an easier time charting those uncharted waters on their way to new relationships Mothers and daughters compare notes on all sorts of things but few get to compare notes on the dating scene let alone write a mother daughter dating book together We didn t plan things this way I suddenly found myself widowed after 19 years of marriage and my daughter Andi became a divorcee after ten years of marriage We both re emerged as singles at times in our lives when we least expected to do so We discovered over the years as we compared notes soothed each other s egos offered encouragement and giggled uproariously over some of the funnier anecdotes our dating experiences have yielded that commiseration was a learning and healing experience and most important of all great fun We decided to broaden the circle and interview our friends two very different generations of dating women and we found we had all reached many similar conclusions namely that there are few problems that can t be rectified that women are too hard on themselves in dealing with men and that it s far better to laugh than to take these things too seriously Kiss and Tell Tales by a Mother and Daughter is filled with our stories and newfound wisdom We look at how children fit into the dating picture for younger women Is it possible to find a man who not only loves you but also adores your children And we look at the discomfort older women might feel about suddenly dating again after forty plus years of marriage Invaluable dos and don ts of dating are included throughout the book *Kiss and Tell* Mari Carr, Grumpy Sunshine times three Joey is no stranger to romance After all his family wrote the book when it came to falling in love and finding their forever partners There s no doubt in his mind that his soul mate is out there as well What he doesn t expect is to be struck down with a serious case of instalove the second Lucy Storm steps off the front porch of her family s farmhouse Escaping a difficult relationship Miles is proud of the life he s forged for himself He s got it all A hit cable show amazing friends and Joey the greatest cohost a guy could ask for When Joey throws a curveball into their well ordered existence falling for Lucy the most obnoxiously cheerful person he s ever met Miles knows he should be supportive What he shouldn t do is kiss the chatty woman to shut her up Lucy s dreams are bigger than her family s farm but leaving home isn t an easy proposition When Joey invites her to hit the road touring the country with him as he films his show she jumps at the chance However travel isn t what entices her most Because for her the greatest temptation is the charming Joey and his infuriatingly grumpy sexy best friend Miles Kiss and Tell Kevin Dwyer, 2005-11 Explores all aspects of the kiss including why people kiss why kisses are given under mistletoe and such subjects as kissing bugs French kissing and origins of phrases with kiss in them *Episode 3: Kiss and Tell* Tamara Hart
